Amente Anu provides source material for readers to counter and fight back against religious institutions organizations and individuals who condemn any lifestyle that does not conform to their own narrow ideology He offers a critique of the man made mythological religions of Africa Egypt Ethiopia Hinduism Buddhism Judaism Christianity and Islam With the exception of Buddhism religions are violent the scriptures of Christianity Judaism and Islam are manuals that provide instructional and operational guidelines for the enslavement of humans Hinduism promotes a brutal and discriminatory caste system while Christianity and Judaism give instructions about enslaving children breeding male and female slaves and the beating and killing of slaves No benevolent God would approve of violence or slavery Religions are nothing more than man made myths that should be cast in the same light as Santa Claus Peter Pan or Tinker Bell
