Blanscet, 2018-06-08 Everyone wants to be successful The

problem though is that most people misunderstand what constitutes true success The world defines success in terms of our accomplishments the fame and fortune we achieve and the recognitions we receive all of which are fleeting and temporary successes at best True success however is based upon our character the relationship we have with God and the glory God receives from our lives So how do we achieve this level of success Lessons from Solomon answers this question by looking at the life of King Solomon a man who not only achieved success by the world s standards but also had and lost true success that comes from knowing God Author Glen A Blanscet has penned engaging narrative retellings of King Solomon s story from the Bible and from King Solomon s story we learn several success lessons that we can apply in our own search for true success in life Based on the life of Solomon Blanscet has distilled from Solomon s story the life lessons that lead us to genuine success from the wisest man who ever lived I highly recommend this book Dr David L Allen Southwestern Baptist Theological Seminary In this book Glen Blanscet has masterfully extracted from scripture Solomon s successes and failures providing the reader with vivid lessons on attaining true success Steve Mullen PhD Dallas Baptist University **Our Heavenly Father** Daria M. Sockey,1995-04 **101 Sunday School Activities on a Tiny Budget** Martha Maeda,2010-10-09 How can you connect the children in your class to a source of spiritual strength that will support them through difficult situations family problems peer pressure and the extreme competitiveness they will encounter in the academic social and business worlds How can you as a Christian adult share with your students the experiences the fulfillment and the blessings that have come to you through your life of faith This book will help you plan and implement a complete and rewarding Sunday school experience for children of any age Whether you are a seasoned teacher or an inexperienced beginner you will find valuable suggestions for organizing your time customizing and teaching a Christian curriculum managing your class creating bonds of friendship fostering spiritual and personal growth delighting and entertaining your students so that they will want to keep coming back You will find more than 100 age appropriate projects and activities that can be carried out with a minimum of preparation time and expense Learn about the many resources available to you at little or no cost Detailed instructions explain how to use your computer and the Internet to create lessons and games that will capture your students interest Links to all the websites referenced in this book printable downloads of worksheets and patterns and even more ideas area are available on a companion blog Sunday School Activities <http://maedam.wordpress.com> As a Sunday school teacher you are providing a valuable service to your students and to their families You may be the single greatest influence outside the family shepherding a child into maturity and personal fulfillment The person who benefits the most will probably be yourself the more you invest in your class the more spiritual nourishment you will discover for yourself and the closer you will come to God in your daily life [Our Life with Jesus](#) Theresa Vorndran,1987-07 **Walk with Jesus Christ, the Truth II' 2008 Ed. (maturing in Jesus Christ) , The Church School Journal ,1888 Christ in the Classroom** Jared Dees,2018-09-07 If the goal of catechesis is to cultivate an encounter with Christ why do religious educators spend so much

time focused almost exclusively on ideas and not experiences The reason is that many have never been shown a method that inspires the heart while also instructing the mind Jared Dees creator of the popular website The Religion Teacher shows how applying the steps of lectio divina to teaching can reorient religious education toward encountering the person of Christ rather than merely sharing information about him In Christ in the Classroom Catholic author and speaker Jared Dees applies the five steps of lectio divina reading learning meditation prayer contemplation and action to the ministry of catechesis He offers teachers and catechists a practical framework for preparing lessons that broaden the focus of teaching from mostly intellectual learning to also encountering Christ in prayer reflection and action Using this method students and catechists come to know intimately the person of Christ at the same time that they are learning the tenets and traditions of the Church Dees shares stories of success and failure from his own teaching experience and he offers dozens of field tested strategies tactics and teaching methods to effectively integrate the steps of lectio divina into the classroom or other catechetical setting Outfitted with these tools both experienced and new religious educators will feel confident in their ability to teach effectively and lead their students to a life changing encounter with Jesus
