Krystyna Mazur,2025-01-13 Barbara Hammer in the Seventies Or What a Body Can Do addresses the intersection of experimental film lesbian sexuality and the women s movement in Hammer s early films Grounded in an embodied sexual and gendered positionality these films interrogate the politics of visibility and identity and perform a discontinuous repertoire of lesbian images that resist the medium of film s established constraints and the decade s broader systems of signification Hammer s films offer a critique of the dominant discourse that privileges the discreteness and self sufficiency of the individualistic human subject By performing the lesbian body in its environment in erotic and communal relation to other bodies and staging the relation of human bodies with the materiality of non human beings and objects they create a site of intervention into the humanist project as it informs film studies feminism and queer theory This rereading of Hammer s work offers an important contribution to conversations between feminism and queer studies In remembering the feminist origins of queer studies it recenters political and ethical questions such as the fundamental relationality of the subject the subject s dependency on others and the resulting ethical responsibility for and towards the other      **Still Standing** TOLA

Villani,2018-06-21 Gifts from the foot of the Cross By Gary Robert Villani This volume came to fruition at the request of attendees from many of the Sunday school classes the author has led over the past twenty years The majority of spiritual messages contained in this book came directly from the support material prepared for these sessions which ultimately led to class members stating You ve got to put that on paper Gifts from the foot of the Cross is not a devotional The underlying theme of the book is simple and direct it is designed to reach the everyday Christian and let them know they are not alone in facing the stumbles slips trips and falls they may be experiencing in their daily spiritual walk Additionally there are numerous suggestions on how to successfully avoid these pitfalls and each entry is backed by Biblical passages It is Gary s sincere hope that the reader will immediately identify with the material in these stories and subsequently find spiritual support and direction to get back on the spiritual wellness trail     *Lettres Provinciales* Blaise Pascal,2022-07-21 Blaise Pascal s

*Lettres Provinciales* is a captivating synthesis of theological argumentation and stylistic elegance Conceived within the cauldron of religious discord the series of eighteen letters audaciously defends Jansenist Antoine Arnauld against charges of heresy levelled by the then omnipotent Jesuit order Pascal s prose is marked by its cogency and literary sophistication bridging the divide between the scholastic rigor of theological debate and the approachability of a wider lay audience His treatment of delicate doctrinal controversies reflects a broader literary context of the 17th century France where the epistolary form became a powerful vehicle for philosophical and religious inquiry As one of the preeminent thinkers of his time Blaise Pascal traversed the domains of mathematics science and philosophy with exceptional acuity His engagement with the formulary controversy not only stemmed from a deep seated religious conviction but also from his proximity to the Jansenist community through his sister Jacqueline The *Lettres Provinciales* are not mere polemics they epitomize Pascal s enduring struggle to reconcile reason with faith a theme that pervades much of his work The *Lettres Provinciales* offer a timeless contribution to religious discourse and remain a testament to the enduring power of pen over persecution Scholars and lay readers alike will find Pascal s incisive wit and penetrating insights a compelling call to intellectual and spiritual reflection This work not only chronicles a pivotal moment in religious history but also serves as a poignant reminder of the human capacity for both conviction and compassion     **Resources in education** ,1986-08     **Lessons from a Street-wise Professor** Ramon
