A Growing Passion Emma Wildes, 2011-04-26 Victoria Manwell much prefers travelling the globe with her scholarly father to society's traditional expectations for a lady Marriage includes too many strictures and where will she find a man who embraces her unconventional passion for botany Well except for Stephen Forsythe once a childhood friend but now an intriguing handsome scientist The reckless impulse to seduce him might bring her only trouble but then again the erotic research might prove to be worth the potential scandal

An Indecent Proposition Emma Wildes, 2009-04-07 In a less than sober moment London's two most notorious rakes the Earl of Manderville and the Duke of Rothay placed a very public wager on which of them is the superior lover Now it's too late to retract the foolish bet but what woman of beauty intelligence and discernment would consent to bed both men and declare which is more skilled in satisfying her deepest desires Lady Carolyn Wynn is the last woman anyone would expect to step forward She's a respectable young widow with an icy reputation which has kept her firmly off the marriage market She may not desire another husband but her brief marriage has left her with some scandalous questions about the act of love If the men will keep her identity a secret she'll decide who has the most finesse between the sheets But to everyone's surprise what begins as an indelicate proposition turns into a most astonishing lesson in everlasting love
