Betty Jean Lathan,2013-05-20 Betty Jean Lathan has published five children s books and has published her first Christian book which speaks to those who have experienced world s trials that will cause one to question Why Me Lord After being married to the late Rev Robert Lathan for 33 years God tested her faith by calling him home after a three year battle with multiple myeloma cancer The book details his and her strength as they watched loved ones leave this world and the God and satan will test your faith through problems in your marriage through drugs alcohol and yes even through your enemies and loved ones It encourages you to stay strong and stay in the word of God by constantly talking to Him and trusting him All of us will have tests during this journey in life and we must be ready for all types of tests and when you feel that you will fail God tells us to hold on and keep the faith because the race is not given to the swift and the strong but it is given to the one that can endure to the end Let It Go (from "Frozen") Sheet Music Idina

Excursions into Modernism Joyce Kelley,2017-05-15 Positioned at a crossroads between feminist geographies and modernist studies Excursions into Modernism considers transnational modernist fiction in tandem with more rarely explored travel narratives by women of the period who felt increasingly free to journey abroad and redefine themselves through travel In an era when Western artists writers and musicians sought primitive ideas for artistic renewal Joyce E Kelley locates a key similarity between fiction and travel writing in the way women authors use foreign experiences to inspire innovations with written expression and self articulation She focuses on the pairing of outward journeys with more inward introspective ones made possible through reconceptualizing and mobilizing elements of women s traditional corporeal and domestic geographies the skin the ill body the womb and the piano In texts ranging from Jean Rhys s Voyage in the Dark to Virginia Woolf s The Voyage Out and from Evelyn Scott s Escapade to Dorothy Richardson s Pilgrimage Kelley explores how interactions between geographic movement identity formation and imaginative excursions produce modernist experimentation Drawing on fascinating supplementary and archival materials such as letters diaries newspaper articles photographs and unpublished drafts Kelley s book cuts across national and geographic borders to offer rich and often revisionary interpretations of both canonical and lesser known works
