

**New
Expanded
4th Edition**

An exploded view diagram of a mechanical assembly, likely a pump or actuator. The main component is a large, complex housing with a central cylindrical section and a base. Various internal and external parts are shown in their relative positions, including a control lever on the right, a spring-loaded plunger on the left, and several smaller components like bolts, washers, and seals. The diagram is rendered in a technical, line-art style with a light beige background.
