Occupational Therapy with Elders Strategies for the COTA 4th Edition is the only comprehensive book on geriatric occupational therapy designed specifically for the certified occupational therapy assistant. It provides in-depth coverage of each aspect of geriatric practice from wellness and prevention to death and dying. Expert authors Helene Lohman, Sue Byers, Connon, and Ren Padilla offer an unmatched discussion of diverse populations and the latest on geriatric policies and procedures in this fast-growing area of practice. You will come away with a strong foundation in aging trends and strategies for elder care in addition to having a deep understanding of emerging areas such as low vision rehabilitation, driving and mobility issues, Alzheimer's disease, and other forms of dementia, new technological advancements, health literacy, public policy, dignity therapy, and more. Plus, you will benefit from 20 additional evidence briefs and numerous case studies to help apply all the information you learn to real-life practice. It's the focused, evidence-based and client-centered approach that every occupational therapy assistant needs to effectively care for today's elder patients.

UNIQUE Focus on the occupational therapy assistant highlights the importance of COTAs to the care of elder clients. Unique Attention to diverse populations and cultures demonstrates how to respect and care for clients of different backgrounds.

UNIQUE Discussion of elder abuse, battered women, and literacy includes information on how the OTA can address these issues that are often overlooked. User resources on Evolve feature learning activities to help you review what you have learned and assess your comprehension. Case studies at the end of certain chapters illustrate principles and help you understand content as it relates to real-life situations. Multidisciplinary approach demonstrates the importance of collaboration between the OT and OTA by highlighting the OTA's role in caring for the elderly and how they work in conjunction with occupational therapists. Key terms, chapter objectives, and review questions are found in each chapter to help identify what information is most important.

NEW 20 Additional evidence briefs have been added to reinforce this book's evidence-based, client-centered approach. NEW Incorporation of EMR prevalence and telehealth as a diagnostic and monitoring tool have been added throughout this new edition. NEW Expanded content on mild cognitive impairment, health literacy, and chronic conditions have been incorporated throughout the book to reflect topical issues commonly faced by OTs and OTAs today. NEW Coverage of technological advancements has been incorporated in the chapter on sensory impairments. NEW Other updated content spans public policy, HIPAA, power of attorney, advanced directives, dignity therapy, and validation of the end of life. NEW Merged chapters on vision and hearing impairments create one sensory chapter that offers a thorough background in both areas.

Pediatric Skills for Occupational Therapy Assistants - E-Book Jean W. Solomon, Jane Clifford O'Brien, 2015-09-14

NEW Content on emerging areas of practice such as community systems broadens readers' awareness of where interventions for children can take place. NEW Content on physical agent modalities. PAMS outlines the theory and application of PAMS as used by OTAs with pediatric clients. NEW Pediatric MOHO assessments that are now available in the chapter on Model of Human Occupation. MOHO assessments describe how these assessments can help with intervention.

NEW Content on childhood obesity documentation neurodevelopmental treatment and concepts of elongation have been added to keep readers abreast of the latest trends and problems **Pedretti's Occupational Therapy - E-Book** Heidi McHugh Pendleton, Winifred Schultz-Krohn, 2011-12-20 Chapter on polytrauma post traumatic stress disorder and injuries related to the War on Terror teaches you how to provide OT services to this unique population Content covers new advances in prosthetics and assistive technologies and provides more up to date assessment and interventions for TBI problems related to cognitive and visual perception Full color design visually clarifies important concepts Video clips on the companion Evolve website vividly demonstrate a variety of OT interventions **Introduction to Splinting- E-Book** Brenda M. Coppard, Helene Lohman, 2013-08-07 The third edition of Introduction to Splinting A Clinical Reasoning and Problem Solving Approach helps readers master the basic theory principles and techniques of splinting needed for clinical practice Using a combination textbook workbook format it integrates theory and technical knowledge with hands on learning features that equip readers with essential clinical knowledge critical thinking skills and problem solving skills associated with splinting This title includes additional digital media when purchased in print format For this digital book edition media content may not be included Gerontological Nursing Kristen L. Mauk, 2013-03-15 Important Notice The digital edition of this book is missing some of the images or content found in the physical edition Gerontological Nursing Competencies for Care Second Edition is a comprehensive and student accessible text that offers a holistic and inter disciplinary approach to caring for the elderly The framework for the text is built around the Core Competencies set forth by the American Association of Colleges of Nursing AACN and the John A Hartford Foundation Institute for Geriatric Nursing Building upon their knowledge in prior medical surgical courses this text gives students the skills and theory needed to provide outstanding care for the growing elderly population This innovative text is the first of its kind to have over 40 contributing authors from many different disciplines Some of the key features of the text include chapter outlines learning objectives discussion questions personal reflection boxes case studies and more **The Special Needs Child and Divorce** Margaret S. Price, 2009 Families with special needs children have much higher divorce rates and cases involve specialized handling This book examines what lawyers can do to make the family court system work better for these children and their families Filled with practice tips the book includes forms modified to address issues raised by a special needs child Includes sample forms and documents checklists resource materials and contact information for organizations and state agencies Includes forms CD ROM Occupational Therapy with Elders - E-Book Rene Padilla, Sue Byers-Connon, Helene Lohman, 2011-03-18 The only comprehensive book on geriatric occupational therapy designed specifically for the COTA Occupational Therapy with Elders Strategies for the COTA 3rd Edition provides in depth coverage of each aspect of geriatric practice from wellness and prevention to death and dying A discussion of foundational concepts includes aging trends and strategies for elder care and coverage of emerging areas includes low vision rehabilitation mobility issues including driving and Alzheimer s disease and

other forms of dementia Expert authors Ren Padilla Sue Byers Cannon and Helene Lohman offer an unmatched discussion of diverse populations and the latest on geriatric policies and procedures in this fast growing area of practice Unique A focus on the occupational therapy assistant highlights the importance of COTAs to the care of elder clients Case studies illustrate principles and help you apply what you ve learned to actual situations Key terms chapter objectives and review questions highlight important content in each chapter Use of the term elder reduces the stereotypical role of dependent patients and helps to dispel myths about aging A multidisciplinary approach demonstrates how the OT and the COTA can collaborate effectively Unique Attention to diverse populations and cultures prepares you to respect and care for clients of different backgrounds Unique The companion Evolve website makes review easier with more learning activities references linked to MEDLINE abstracts and links to related OT sites Unique A discussion of elder abuse battered women and literacy includes information on how the COTA can address these often overlooked issues New information on alternative treatment settings for elders reflects new trends in OT care Updated information on Medicare Medicaid and HIPAA regulations discusses the latest policies and how to incorporate the newest procedures into practice Significant additions are made to the chapters on public policy dementia and oncology
