Metric Pattern Cutting Women Winifred Aldrich:

Metric Pattern Cutting for Women's Wear Winifred Aldrich, 2015-01-22 *Metric Pattern Cutting for Women's Wear* provides a straightforward introduction to the principles of form pattern cutting for garments to fit the body shape and flat pattern cutting for casual garments and jersey wear. This sixth edition remains true to the original concept; it offers a range of good basic blocks, an introduction to the basic principles of pattern cutting, and examples of their application into garments. Fully revised and updated to include a brand new and improved layout, up-to-date skirt and trouser blocks that reflect the changes in body sizing, along with updates to the computer-aided design section and certain blocks, illustrations, and diagrams. This best-selling textbook still remains the essential purchase for students and beginners looking to understand pattern cutting and building confidence to develop their own pattern cutting style.

Metric Pattern Cutting for Menswear Winifred Aldrich, 2012-06-27 Since the first edition was published in 1980, *Metric Pattern Cutting for Menswear* has become established as the standard work on this subject and has proved invaluable as both a textbook for students and a reference source for the practising designer. In this fifth edition, the chapter on computer-aided design now has full colour illustrations and reflects the growing importance of CAD to the industry and as a part of fashion and design courses. The rest of the book has been updated where necessary, in particular new blocks for tailored shirts, new details on how to adapt men's blocks for women's wear, and a revision of sizing and labelling information. Colour is now used to differentiate the main groups of patterns, and with its tried and tested layout with clear text and diagrams, *Metric Pattern Cutting for Menswear* is an essential purchase for students of fashion and design.

Spacewear Barbara Brownie, 2019-01-10 Today we are living in the New Space Age where mass commercial space travel is almost within our grasp This otherworldly possibility has opened up new cultural images of space both real and fictional and has caused fashion design and spacesuit engineering to intersect in new exciting ways Spacewear traverses this uncharted territory by exploring the changing imagination of space in fashion and fashion in space from the first Space Age to the 21st century Exploring how space travel has stylistically and technologically framed fashion design on earth and how we need to revisit established design practices for the weightless environment Spacewear connects the catwalk and the space station This book draws together speculative fantasies in sci fi films such as Star Trek and 2001 A Space Odyssey with the engineered spacesuits Biosuit and the NASA Z 2 and with catwalk interpretations by the likes of Alexander McQueen Hussein Chalayan Andr Courr ges and Iris van Herpen While the development of commercial space agencies has led to new concerns for style in garments for outer space that re think fundamental design principles such as drape high fashion has experimented with new possibilities for weightlessness that extend far beyond the 1960s vision of Space Age metallic fabrics and helmet style headwear Brownie takes the reader on a fascinating journey from fantasy to function and to form deepening our understanding of this new category of fashion that is prompting new approaches to garment design and construction both on earth and in outer space

Metric Pattern Cutting for Children's Wear and Babywear Winifred Aldrich, 2009-07-07 This fourth edition of Metric Pattern Cutting for Children s Wear and Babywear remains the standard text book but has three major improvements First the sections have been re organised to reflect changes in producing and marketing children s clothes Today s popularity of easy fitting styles and knitted fabrics means that basic flat pattern cutting is used to construct the majority of children s wear and babywear and this type of cutting is therefore emphasised in this new edition Shaped blocks and garments cut to fit the body form are still included and are placed in chapters covering some school uniform garments or more expensive fashion or formal clothes The book now clearly separates the sections useful to student beginners Parts One Two and Three and also offers more advanced or specialist sections for students who wish to pursue a career in children s wear or for designers working in the different manufacturing sectors of the trade The second change in this fourth edition is the introduction of colour coding to the sections this makes it easier to identify specific processes in the book and enhances the illustrations Finally the size

charts have been revised to reflect the changes in body sizing The clear division of the boys and girls measurements in the charts has been in response to the way clothes are marketed and to co ordinate with European size charts Plus charts for heavier children have also been added Fabric, Form and Flat Pattern Cutting Winifred Aldrich,1996-04-18 During the past decade whilst the development of new generic fibres has not markedly increased the technical engineering of the structure of existing fibres has produced an explosion of new fabrics Many of these have a quite new appearance and a significantly different handle Many students are overwhelmed by the infinite creative possibilities in fashion and are daunted by rigid technical procedures yet the relationship between garment cut and fabric potential is probably the most important feature of present design skills This book is an approach to design and flat pattern cutting that is based on the appraisal of the fabric and the body form Winifred Aldrich hopes that this book astrides the arts and sciences offering a sense of visual and tactile order that will help students develop an intuitive and practical approach to their discipline *Metric Pattern Cutting* Winifred Aldrich,2004-08-27 Since the first edition of Metric Pattern Cutting was published in 1975 to provide a straightforward introduction to flat pattern cutting it has become the established textbook on the subject The fourth edition continues to offer an introduction to the basic principles of pattern cutting with a range of good basic blocks and examples of their application to garments The original blocks and many of the pattern adaptations have therefore been retained However the great expansion of casual wear cut in jersey or stretch fabrics has led to the growth of flat cutting with no darting to create the shape and this edition devotes a whole section to this type of cutting The sections on computer aided design and grading have been updated The size charts of body measurements have been revised reflecting the changing shape of women s bodies Also available from Blackwell Publishing Metric Pattern Cutting for Children s Wear and Babywear Third Edition Winifred Aldrich 0 632 05265 1 Metric Pattern Cutting for Menswear Third Edition Winifred Aldrich 0 632 04113 7 Pattern Cutting for Women s Tailored Jackets Winifred Aldrich 0 632 05467 0 Fabric Form and Flat Pattern Cutting Winifred Aldrich 0 632 03917 5 Pattern Cutting for Lingerie Beachwear and Leisurewear Second Edition Ann Hagger 1 405 11858 X Fashion Source Book Kathryn McKelvey 0 632 03993 0 Illustrating Fashion Kathryn McKelvey and Janine Munslow 0 632 04024 6 [uhttp://www.blackwellpublishing.com/pdf/aldrich.doc](http://www.blackwellpublishing.com/pdf/aldrich.doc) **The Shirtmaking Workbook** David Coffin,2015-03-01 So you ve made a basic shirt or two and you are looking for more options and directions Well you are in luck David Page Coffin author of Shirtmaking a complete guide to the dress shirt is back to help you with an amazing collection of custom detail patterns and ideas for men s and women s sport knit dress and even simple coat and jacket shirt styles Inside you ll find helpful guides to drafting or draping a custom pattern copying or converting a favorite pattern or garment into a more basic pattern ready for customizing to your heart s content mastering four different placket types so you can use these classic structures in ways you never imagined understanding and reinventing most any sort of shirt and coat collar type in common use along with how to construct them all whether you want a couture creation or a workshop coverall You ll get an introduction to digital pattern
