2 Corinthians: An Introduction and Study Guide Jay Twomey, 2017-01-12 This guide considers the historical contexts the literary forms the social and rhetorical backgrounds the politics the theologies and the reception of 2 Corinthians Each chapter surveys recent scholarly approaches to the text focussing especially on critical perspectives that mesh with our contemporary concerns about gender identity race and class 2 Corinthians becomes in the process less the work of a single 1st century writer than a set of fraught even fractured negotiations between competing interests and impulses conducted in Paul's voice The last chapter brings the letter into conversation with Nathaniel Hawthorne's short story The Minister's Black Veil in order to shift the terms of the critical discussion from what Paul meant to how Paul means in later cultural moments Twomey introduces students to the way 2 Corinthians offers a fascinating but fragmentary glimpse into Paul's continuing ties with the Corinthian community At the same time Twomey shows how the letter is the site of many new critical challenges to traditional readings of Paul and early Christianity In contrast to 1 Corinthians this 2 Corinthians largely eschews the debates and discussions the interests and concerns of Paul's correspondents Instead we find Paul engaged in a multi pronged defence of his ministry in and beyond Corinth Over the course of thirteen chapters he runs the gamut of the emotions rhetorically from tears to joy to biting anger while struggling to keep his relationship with some say his control over the community intact *A Study Guide for Nathaniel Hawthorne's "The Birthmark"* Gale, Cengage Learning, 2015-03-13 A Study Guide for Nathaniel Hawthorne's "The Birthmark" excerpted from Gale's acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs
