 Melissa Jane Hardie United States Army Combat Forces Journal ,1953 *This Strange Illness* Jared Lobdell,2004-01-01
 This brilliant work both personal and professional in character is a study of alcoholism of a movement aimed at its cure and
 of an individual participant in this development The author develops an interlinked theory and scientific research program
 that describe an illness of the mind body and spirit He does so without allowing the assumptions underlying the way we look
 at one area of illness say the mind to contradict the assumptions underlying the way we look at the human body or for that
 matter the human spirit That Lobdell carries this project to a successful conclusion makes this a compelling work for
 everyone in the field of alcohol studies and social pathology Lobdell who has written on a broad range of subjects here
 argues the originality and importance of recognition of alcoholism as a tripartite illness and of congruent treatment for the
 three parts He thus accepts a medical view of this vast social problem but also recognizes dimensions within it that go
 beyond the ordinary limits of medical practice as well as the complexity of its treatment His book is at once an intellectual
 history of Bill W's vision a short history of alcohol addiction and the culture of that addiction a treatise on the psychological
 biochemical and spiritual aspects of the illness and its treatment and a scientific research program for the future Norman K
 Denzin of the University of Illinois has hailed the book as a wonderful story brought to a sophisticated readership and will
 widely appeal to the recovering population Matthew J Raphael intimate with the subjects as well as the concerns of this book
 says *This Strange Illness* is an astounding book Jared Lobdell a brilliant polymath traverses a spectrum of disciplines from
 biogenetics and chaos theory to psychology sociology and theology in search of a sufficiently complex and comprehensive
 understanding alcoholism This is the most intellectually rigorous study I have ever seen in the field Jared C Lobdell is author
 or editor of a dozen books in history and criticism and a number of articles in fields ranging from alcohol studies to systems
 analysis He has served as a fellow at the Center for Alcoholism and Addiction Studies Brown University His current positions
 are at Millersville University of Pennsylvania and adjunct professor at Elizabethtown College in Pennsylvania **The**
