Ephesians Study Guide By Mark Copeland:

Biblical Studies on the Internet Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use **Ephesians Bible**
