Harley, Shanon Shah, Paul Simpson, 2024-07-22 Literature on sex intimacy and sexuality in later life has been heavily influenced by perspectives from more affluent regions perpetuating the belief that the West is more sexually progressive and liberal than other cultures This book challenges this belief by exploring diverse cultures and perspectives from the majority world which are often overlooked It highlights the importance of learning from cultures in the global South and East dismantling stereotypes that frame them as sexually conservative or inferior Various drawing on structuralist postcolonial and decolonial theory as well as social anthropology the book critically examines binaries related to culture age sex and intimacy highlighting the need to decentre Western perspectives as the benchmark while other cultures and practices are misunderstood

Docter,2012-12-06 The objective of this book is to propose a theory of transvestism and secondary transsexualism and to provide information concerning these behaviors My view of these topics is much like that of Benjamin 1966 and nearly all other gender researchers It holds that a syndrome of similar behaviors can be identified ranging from fetishism through transvestism transgenderism and secondary transsexualism But de scription is one thing and explanation of causes is another I agree with other gender researchers e g Green Stoller 1985c who have concluded that the causes of transvestism and transsexualism re main largely unknown But the fact that we cannot fully explain the origins of transvestism or secondary transsexualism does not mean that a comprehensive theory is impossible Indeed excellent theoretical statements have been proposed concerning each of these topics Ban croft 1972 Buckner 1970 Buhrich Money Ovesey Person Stoller 1968a 1974 1985c It is with considerable respect therefore that we acknowledge both the strong shoulders on which we stand and also the more practical fact that we have drawn heavily upon the many contributions of these researchers The approach I have adopted has the same scientific difficulties that confronted all of these previous workers      **2010 Novel & Short Story Writer's Market** Alice Pope,2009-07-23 BEST RESOURCE AVAILABLE FOR GETTING YOUR FICTION PUBLISHED For
