*God Is Not Fair, Thank God!* George E. Thompson, 2014-02-05 Life is not fair What does this reality imply about the nature of God and the destiny of human beings In this engaging book Thompson asserts that fairness is not an expectation of the faithful within the Judeo Christian Scriptures Biblical narrative discloses the mystery of a paradoxical deity that indwells with the suffering of creation and thereby provides a mercy that exceeds the evasive goal of fairness The process of healing and redemption of this cracked creation occurs through the tears and suffering of the biblical God whose authentic power is revealed within divine vulnerability and weakness The Jesus of history truly manifested the fullness of this paradoxical God for he disclosed the richness of the divine Being by emptying himself and taking the form of a redemptive servant When the church grasps for power and control avoids compassionate and costly ministries among the

poor and powerless and renders primary focus upon gaining heavenly rewards it rejects its Christ centered mission relinquishes its paradoxical purpose and ceases to strive toward becoming an extension of the incarnation Thompson explores various paradoxical facets of each person of the Trinity and richly illustrates with stories from his vast experience as a parish theologian

*Weak Enough to Lead* Rev. James C. Howell, 2017-10-17 The Bible s version of leadership is pretty different from and sometimes alien to that of the business world It is also dissimilar from our usual assumptions about what makes a great leader in the church where we tend to focus on preaching ability strategic hutzpah and managerial savvy But what if the Bible actually points toward a different set of characteristics necessary for leadership What if our weakness is an essential qualification Do we know our limitations our inabilities Do we see clearly our vulnerable broken selves Do we really believe that God s strength is perfected in our weakness and do we lead with that as a core belief James Howell s *Weak Enough to Lead* is not a list of leadership principles from the Bible This book is an examination of stories about leaders from

the Old Testament where we discover not only them but ourselves How does family dysfunction or depression or tragic bad luck or larger historical forces figure into the leadership equation How do biblical characters prosper despite themselves or stumble even while being holy Can we get inside the head heart and the actual administration of King David and reckon with his strength and foibles How is strength in leadership almost always the downfall of the biblical leader What kind of leader would Jesus Esther Moses Jeremiah or Paul be today Howell explores the careers struggles joys and devastations of various biblical leaders believing that immersion in scripture s stories is what modern Christian leaders need not to succeed so much as to be God s people in the world He roots this unique exploration of leadership in a prayer of Jehoshaphat We do not know what to do but our eyes are upon you *Are You Persuaded?* Porter Taylor,2022-12-06 Porter Taylor never doubted God but doubted whether the church was the only vehicle for the holy Growing up Episcopalian he lived with an awareness of the tag Frozen Chosen for the church Therefore he searched to find God elsewhere Once he returned to the church he found himself ordained as a priest and then a bishop The higher up he went in the hierarchy the harder it was to represent the church yet stay centered in his faith Because of his position he was part of the installment of the first gay person ordained an Episcopal bishop and the first woman and African American ordained as the head of the Episcopal Church Porter never lost his faith in Jesus or his love for the church However he realized that he had done what he could as a bishop and his calling required more freedom than the office could provide He was then persuaded that the spirit was calling him to be faithful by stepping outside the episcopacy and returning to his first love of teaching *The Fiction of Our Lives* Sandra M. Levy-Achtemeier,2016-11-10 We are the author of our own lives We create re create and co create our stories over the lifetime we have been given in order to make something of ourselves in the process Blending new findings from brain science and psychology with spiritual and theological insights Sandra Levy Achtemeier has written a readable work translating complex scientific and spiritual categories into practical terms that can inform our everyday selves From our evolutionary roots that equip us to sing meaning into our living to the cultural menus we now draw from to script new meaning into our days she has given us an incredible wealth of wisdom to inform the rest of our life journeys Underneath it all Levy Achtemeier makes the case that God s Spirit and call are at the center of our story from our brain synapses to the historical circumstances that impinge on our lives
