KNOW THY FATHER The book opens with some childhood thoughts of Yoichi Yamashita spurred by a phone call at work informing him of his father s death So he journeys back to his hometown after an absence of well over a decade during which time he has not seen his father But as the relatives gather for the funeral and the stories start to flow Yoichi s childhood starts to resurface The Spring afternoons playing on the floor of his father s barber shop the fire that ravaged the city and his family home his parents divorce and a new mother Through confidences and memories shared with those who knew him best Yoichi rediscovers the man he had long considered an absent and rather cold father      **In these words** TogaQ,Kichiku Neko,2018-06
