Depression to our Bright Hopes for Tomorrow *The Art of Disruption* Paul Fromberg, 2021-04-16 As the Church considers prayer book revisions discover new ways of bringing prayer to life In many liturgical churches it seems that the prayer book confines more than frees the transformational potential of worship Drawing on his experience at St Gregory of Nyssa Paul Fromberg encourages us to question the assumption that there is a right way and a wrong way of using prayer books Instead he encourages readers to pay attention to doing worship well and engaging worshippers desire to be transformed This book is for those who plan and lead worship as well as those who are curious about the ways that worship is transformative in people s experience Additionally fans of St Gregory of Nyssa Episcopal Church will discover more about the ways in which this ground breaking congregation has engaged the work of liturgical disruption and trusted in the transformative potential of the liturgy for more than forty years **Breaking White Supremacy** Gary Dorrien, 2018-01-09 The award winning

author of *The New Abolition* continues his history of black social gospel with this study of its influence on the Civil Rights movement The civil rights movement was one of the most searing developments in modern American history It abounded with noble visions resounded with magnificent rhetoric and ended in nightmarish despair It won a few legislative victories and had a profound impact on U S society but failed to break white supremacy The symbol of the movement Martin Luther King Jr soared so high that he tends to overwhelm anything associated with him Yet the tradition that best describes him and other leaders of the civil rights movement has been strangely overlooked In his latest book Gary Dorrien continues to unearth the heyday and legacy of the black social gospel a tradition with a shimmering history a martyred central figure and enduring relevance today This part of the story centers around King and the mid twentieth century black church leaders who embraced the progressive justice oriented internationalist social gospel from the beginning of their careers and fulfilled it inspiring and leading America s greatest liberation movement The Battle Worth Fighting Julie Ann Allen, 2018-10-30

When we first become parents we don t imagine ever being single parents Regardless this is where we are Instead of evaluating God s love based on your circumstances evaluate your circumstances through the lens of God s love This is what it is to co parent your children with God *The Battle Worth Fighting* is both a practical guide to approach the challenges of

raising children in this current culture with the social influences they face as well as a guide to spiritual development and growth for your children and you Let God be the authoritative parent for your children Establish the boundaries you know God is leading you to establish Place your priorities where God is showing you to place them Your prayer request is to hear his call and move in the direction he leads This is a game changer Instead of seeking the path to acclaim and earthly accomplishments we seek what God values and wants for us and for our children This is what provides the foundation for how you parent your children and who you teach them to turn to as the authority in their lives God is calling us to invest in our children so they can become who God had in mind when he created them **Lee Roberson -- Always about His**

The Book of Scripture vs. Culture Pastor Raymond Vietmeier, 2020-03-23 The Book of Scripture vs Culture explains what the title implies It uses biblical scriptures to explain about the difference of the culture in the United States from the scriptures that say what God expects us to do The book explains how one person was guided by God from childhood until he ultimately made that person into a preacher and a disciple Since the author could not know the details of another person s relationship with the Holy Trinity he used his own life story Following that story he explains about miracles God performed in order to protect him from harm so he would ultimately do the work God had planned for him from the time of conception Also this book goes into great detail as to what is going wrong with our culture it is going in the opposite direction from what God expects of us in the Holy Bible As an ordained independent minister the author tries to back up everything he writes with scripture He also describes how God personally directs and guides him when writing sermons and also writing the books God wants him to write The author hopes you not only enjoy reading this book but also may learn things of which you were not previously aware May God bless America and may we change our cultural direction to agree with the holy scriptures
