Favorite Things Bound An Erotic Romance Short Story:

The Postmodern Short Story Farhat Iftekharrudin, Joseph Boyden, Mary Rohrberger, Jaie Claudet, 2003-12-30 Short stories are usually defined in terms of characteristics of modernism in which the story begins in the middle develops according to a truncated plot and ends with an epiphany This approach tends to ignore postmodernism a movement often characterized by a negation of objective reality where plots are seemingly abandoned surfaces are extraordinary and symbols turn inward on themselves This book examines postmodern forms and characteristic themes by analyzing a group of short stories that make use of postmodern narrative strategies including nonfictional fiction gender profiling and death as an image The volume begins with a discussion of the blurred lines between fiction and nonfiction in the short story and imaginative personal essay It then looks at the role of women in works by such authors as Sandra Cisneros Leslie Marmon Silko Joyce Carol Oates and Lorrie Moore This is followed by a section of chapters on postmodern masculinity and short fiction The next section focuses on death as an image and theme in works by Richard Ford Richard Brautigan and James Joyce The final set of chapters considers postmodern short fiction from South Africa and Canada

His Devil's Fire Linzi Basset, 2020-10-04 His Devil's Fire is book 6 in Club Devil's Cove Series Regret always came too late something Lexi Calvert knew all too well A decision she'd regretted for the past eight years had kept her in hiding from guilt and then from him Lance Talbot the one man who would come to hate her if he found out the truth Then prepare yourself for hell my pet because you will come to me and yes I'll be the devil you prayed never to meet She should've seen it coming but the last thing she expected was the powerful Dom's demand that she become his submissive willingly Her mind screamed no but her body well that was a completely different story He was the kind of man every woman dreamed about debonair as they came with an irresistible charm she couldn't say no to Disregarding the threat his words promised she said yes Lance Talbot had seen and experienced despair in his years as a combat soldier in Afghanistan It had turned him into a hardened man with every reason to hate the one woman he never seemed able to forget Until he looked into her eyes and saw her suffering that awakened the caring Dom in him He set out to save her from herself before she destroyed the beauty of her soul in an effort to find absolution She became the prey and he the hunter He'd had a taste of the young Lexi Calvert eight years earlier now he ached for the mature woman in her and the enticingly sassy woman knew just how to awaken the devil in him But would the past ever truly be forgotten Only time would tell Entangled amidst their budding love the conspiracy began to unravel as a plot to unmask the Sixth Order exploded in their faces literally The Precision Secure team was left naked and vulnerable as death handed them a cruel hand Would they ever recover or was this the beginning of the end
