The Barcelona Complex Simon Kuper, 2022-08-16 With rare and unrivaled access bestselling coauthor of *Soccernomics* and longtime Financial Times journalist Simon Kuper tells the story of how FC Barcelona became the most successful club in the world and how that era is now ending FC Barcelona is not just the world's highest grossing sports club it is simply one of the most influential organizations on the planet At last count it had approximately 214 million social media followers more than any other sports club except Real Madrid CF and by one earlier measure more than all thirty two NFL teams combined It has more in common with multinational megacompanies like Netflix or small nation states than it does with most soccer teams No wonder its motto is More than a club But it was not always so In the past three decades Barcelona went from a regional team to a global powerhouse becoming a model of sustained excellence and beautiful soccer and a consistent winner of championships Simon Kuper unravels exactly how this transformation took place paying special attention to the club's two biggest stars Johan Cruyff and Lionel Messi who is arguably the greatest soccer player of all time Messi joined Barça at age thirteen and more

than anyone has been the engine and standard bearer of Barcelona's glory. But his era is coming to an end and with it a once in a lifetime golden run. This book charts Bar's rise and fall. Like many world beating organizations FC Barcelona closely guards its secrets granting few outsiders access to the Camp Nou its legendary home stadium. But after decades of writing about the sport and the club Kuper was given access to the inner sanctum and the people behind the scenes who strive daily to keep Barcelona at the top. Erudite, personal and capturing all the latest upheavals his portrait of this incredible institution goes beyond soccer to understand FC Barcelona as a unique social, cultural and political phenomenon. Different Class Dermot Kavanagh, 2017-07-13 Shortlisted for Biography of the Year at the British Sports Book Awards. When Laurie Cunningham played for England in an under 21s match against Scotland in 1977 he became the first black footballer to represent England professionally. Two years later he would become the first Englishman to play for Real Madrid. In a time when racist chants flew from the stands Cunningham's success challenged how black players were perceived paving the way for future generations. But Cunningham was more than an exceptional footballer who could play like a dream. He was a dandy with a love of funk music and bespoke suits as easily graceful on the dance floor as he was on the pitch. Different Class is a portrait of an important but unsung figure who brought glamour to the game at a particularly dark point in its history. Many know Laurie Cunningham's name but not his story now they will know both.
