Femdom Spanking Cruel Wife Flr Humiliation Erotica:

Clandestine Erotic Fiction in English 1800-1930 Peter Mendes, 2016-12-05 This work offers bibliographical descriptions of all printings of erotic fiction in English issued clandestinely during the period 1800-1930. By clandestine is meant books whose publishers and printers attempt to hide their identities usually by offering title pages whose misleading places and dates of publication may shock and amuse but which always aim to mystify. Using internal and external evidence an attempt is made to establish who were the printers, booksellers and publishers. English and Continental involved in this trade. The printing families or groups into which a large percentage of the material falls are classified, accompanied by illustrations which identify the main printing characteristics, house styles of the groups. Bibliographical descriptions follow a checklist of clandestine catalogues; these provide valuable evidence for dating, pricing and sales pitch and information on items of which no copies can now be traced. The work concludes with a series of appendices which provide significant external evidence and three indexes of themes, titles and names. Peter Mendes' original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H. S. Ashbee. Pisanus Fraxi *Deviant Behaviour* Clifton D. Bryant, 2014-09-03 A comprehensive set of readings examining the full range of concerns in the field of deviant behaviour. All the selections are relatively recent and have not appeared in other anthologies. *Forensic and Medico-legal Aspects of Sexual Crimes and Unusual Sexual Practices* Anil Aggrawal, 2008-12-22 From sexual abuse and fetishism to necrophilia and sadomasochism, this unique volume identifies fourteen classifications of unusual sexual pathologies. Emphasizing the physical and psychological aspects of sexuality itself, the book presents detailed comparisons of legal and medical definitions, historical aspects, current incidence and geographic. **The Leather Daddy and the Femme** Carol Queen, 2013-04-05 It's another night in San Francisco and Miranda aka Randy when she's not dressed like a boy has hit the streets looking for trouble. She has an eye for gay men in leather and most nights she's too much of a girl for them. But tonight she meets her match, Jack, who thinks she's hot no matter who she is. This is San Francisco's notorious SOMA of the 1990s, home to dark alleys, tastefully appointed dungeons, hotel penthouses, clubs where gender dissolves and reshapes. In this bygone sexual utopia, Randy Miranda embraces desires beyond gender and orientation beyond what she ever thought she could contain. A FIRECRACKER ALTERNATIVE BOOK AWARD WINNER FOR BEST FICTION. **Dominatrix** Danielle J. Lindemann, 2012-10-03 Our lives are full of small tensions, our closest relationships full of struggle between woman and man, artist and customer, purist and commercialist, professional and client, and between the dominant and the submissive. In *Dominatrix*, Danielle Lindemann draws on extensive fieldwork and interviews with professional dominatrices in New York City and San Francisco to offer a sophisticated portrait of these unusual professionals, their work and their clients. Prior research on sex work has focused primarily on prostitutes and most studies of BDSM absorb pro-domme client relationships without exploring what makes them unique. Lindemann satisfies our curiosity about these paid encounters, shining a light on one of the most secretive and

least understood of personal relationships and unthreading a heretofore unexamined patch of our social tapestry Upending the idea that these erotic laborers engage in simple exchanges and revealing the therapeutic and analytic nature of their work Lindemann makes a major contribution to cultural studies anthropology and queer studies with her analysis of how gender power sexuality and hierarchy shape all of our social experiences Some Kind of Fantasy Mary Brennan,Eleanor Black,2015-07-22 Funny warm and caring Mary Brennan talks openly about her ordinary Kiwi upbringing and life experiences which ultimately led to her owning New Zealand s biggest high end appointment only full service salon in Wellington Now a key go to person for commentary on the New Zealand sex industry Mary has seen it all and in Some Kind of Fantasy she demystifies her day job In association with co writer Eleanor Black Mary candidly tells her life story including chapters on the intriguing fetishes she caters to as part of her working day Pornography F. M. Christensen,1990-05-07 A unique and important book I have never read any work which analyzes the subject in such a manner This book is more thorough and has a more liberated point of view than others which attempt to tackle this hot potato of the 1980s Men should read this book Women should read this book Karen DeCrow former President NOW This study slices like a laser through all the fog of rhetoric disinformation bias and fear that has long enveloped all discussions of the subject of pornography in the US No argument in favor of the censorship of such material can be considered valid unless the basic arguments of this study are answered This is a valuable resource for all academic libraries and could well become a fundamental weapon in the war to preserve the First Amendment This book should be purchased by all but the smallest libraries it may well be the most honest discussion of the subject ever written Choice In the continuing debate over pornography two arguments stand out that it is evil and should be censored or that it is evil but censorship is a greater evil F M Christensen presents the other side of this debate in what will surely be one of the most controversial books on the subject Pornography The Other Side convincingly argues that anti pornography campaigns are themselves morally evil The author defends this startling claim with a scientific persuasiveness He successfully opens the pornography debate to include the whole picture allowing the reader to grasp another side to this ongoing debate with concise practical arguments Students and scholars of all the social sciences as well as the informed general reader will find Pornography The Other Side a source of stimulating ideas Christensen concludes that pornography itself is not the fundamental issue for those who oppose it Vehement opposition to pornography according to this book is a symptom of tragically mistaken beliefs about sex What this book is really about writes the author is sex and the evil effects on the lives of all of us which irrational attitudes toward that subject continue to have **Shades of Pink Series Bundle Volumes 16-20** Katrina Millings,2025-04-27 Marley I wasn t the vanilla type and my roommate Callie sure wasn t You d think that would make for fun times but no Callie didn t want to risk our friendship but she did have an invitation to a party where I could find what I was looking for a mistress to serve if she d have me Lucille was a beautiful red head with a thing for newbies I was in good hands so I followed her into the basement where the games began

Antoinette I was just the maid It wasn't my business what the mistress of the house did right Still I heard things The walls spoke loud and clear in that house You see when I say Dominique is the mistress of the house I mean in more ways than one So yes I was only the maid but I was about to become much more The basement had always been off limits but we'd both known the day would come when I would walk down those steps and everything would change Hannah Ms Hanscom was the librarian on the university campus but she was so much more than that once the library closed at night and it was just us three My best friend Emma and I worked for her to earn extra cash We served her in more ways than one when her office door closed behind us If we thought she was difficult to please on the clock there was no telling what she had in store for us after hours Frankie I'd been online looking for the right mistress Eventually I found two Eden and Amanda were best friends who didn't mind sharing the right sub As for me I adored them both and couldn't believe I was lucky enough to not have to choose I was new to their world on the outside looking in but they were there to guide me until the time was right to start my training I'd started to think that time would never come but then one weekend I followed them into the woods to a secluded cabin on the lake That's when I learned that two mistresses can be better than one but they are also much harder to please Bernadette It had been a while since I'd seen Professor Brennan Too long in fact She wasn't the only mistress in town but she was the only one I had any desire to serve Of course I always knew where to find her She liked to hang out at the Pink Haven a club that had fetish night every third Saturday of the month I'd been there a few times I knew she wouldn't appreciate me showing up uninvited but one thing about my mistress is that she liked to dish out the discipline so if I wanted her attention lesbian BDSM FF FFF multiple partners lgbtq dominatrix mistress lady boss female dominant domme domination submission bondage spanking librarian maid professor student college boss office lesbian short stories *Navigating the Minefield* Michael Whelan, 1998 John Hawkes an anomalous postmodernist has been uneasily grouped with John Fowles Thomas Pynchon and Julio Cortazar but his works are more often examined alone Primarily surveys studies of Hawkes's works tend to become catalogues of the grotesque the perverse and the taboo As a means of navigating Hawkesian texts of fragments gaps and split narrators this study provides a new theoretical approach that combines psychoanalytic thought and gendered narratology It identifies and examines structures of deformation deformation of vision affect and subjugation in Hawkes's highly stylized and self-conscious first person narratives *Over Her Knee: The Humiliating Punishment He Wasn't Supposed to Enjoy (Femdom, Discipline, Spanking)* Nina Nauheim, 2014-06-27 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play spanking humiliation discipline punishment submission and dominance All characters are 18 or older Jason's young and beautiful boss Joanna Roth has always taken a special interest in him ever since he first came to work for her at the age of sixteen After Jason loses the order form of a very important client she punishes him as she often has before with a sound spanking But on this occasion he settles onto Joanna's lap to take the punishment under her strict hands only to find his long secret feelings for her pushed out into the open by the unmistakable

throes of orgasm When questioned Jason is forced to admit that he has always been hopelessly aroused by the discipline his boss administers Now that all feelings are out in the open will this day prove a nightmare or fulfill the fantasy Jason has never allowed himself to admit he wants Excerpt Stand up Jason she said quietly Shakily and with her help I lifted myself off her legs and started to stand I wobbled for a moment and then found my balance and she took her steadying hands away I knew it was too late to conceal what had happened so I did not try My slowly softening cock stuck out in front of me as I stood upright My eyes stayed locked on the ground I couldn't bear to look at her That's never happened before she said her tone deceptively mild My cheeks burned hotter but I could not think of anything to say Would you care to explain it My eyes locked on the floor and my face growing redder still I shook my head I thought I was joking when I said you enjoyed being disciplined she said But it's true isn't it I bit my lip trying to tell myself this was all a bad dream and what had just happened had not actually happened All this time I thought I was punishing you when you got out of line but you've been enjoying it Answer me I drew in a shuddering breath and managed to look at her shoes Yes ma'am I said I physically recoiled as the word ma'am emerged from my mouth again I'm sorry I blurted close to tears I never I mean it's just I didn't mean to I'm sorry I don't try to make you angry with me or anything It's just the way it affects me The way being around you I clamped a hand over my mouth horrified that I had said too much Even without glancing up I could feel the way she was looking at me I stared at the floor and tried to ignore the still prominent form of my cock as it shrank embarrassingly slowly in my soiled underwear Another hot wave of humiliation rose in me at the sight of myself and unwedged my underwear and pulled up my pants Perhaps this explains a few things she said Maybe I should not be so surprised Maybe it's my fault that I did not see it before I dared a shy glance up at her to see how mad she looked To my relief her expression was thoughtful devoid than the disgust or betrayal I had dreaded seeing there Well clearly Jason the arrangement we have been operating under cannot continue can it You've given me a lot to think about Nervously I straightened my pants again feeling the squelch of the come still in my underwear If only she would say something definite something to indicate how she felt about this I could not deny that a small part of me imagined her being maybe a little intrigued But that was just a childish fantasy too much to hope for You'll need to go home to change and I think it would be best if you took the afternoon off she said after a moment But it's clear we need to talk about this when there isn't work to be done Come by my apartment would you after I've locked up for the night I bobbed and nodded Yes m I shook my head as though to clear it and began to move towards the door And Jason she said Yes You haven't lost any more orders you might want to tell me about have you I shook my head even my ears burning at this final jab and left the room

Hers To Punish When She Wants (Femdom, BDSM, Degradation, Cruel)

Nina Nauheim, 2014-06-14 Reader Advisory This story is for mature audiences only and features intensely erotic situations femdom bdsm play degradation humiliation discipline punishment spanking submission and dominance All characters are 18 or older Mitchell has been meeting his domme irregularly for the better part of 3 months He has never experienced anything

as powerful fulfilling or seductive as his submission to the mysterious Mistress A But their meetings are sporadic and he is desperate for more Tormented by needs he never knew he had and which only Mistress A can satisfy he searches the nearby residential areas until he glimpses her through an open window He approaches the house prepared to beg for more only to uncover an unwelcome surprise and reap the penalties and pleasures of his disobedient arrival Excerpt Mitchell Mitchell Mitchell What am I going to do with you A lump caught in my throat How I wanted this woman for my own How I wanted to give myself to her every minute of every day totally absolutely and without reservation If we were together if we shared a home she could bring anyone she wanted into it I would never complain But life was not so kind Whatever you want mistress I said quietly feeling a little sorry for myself She snorted in amusement and turned and seated herself on the couch The room smelled of her I breathed it in and savored it Come here she instructed patting the base of the couch where she sat I hurried forward and sank to the ground at her feet I curled myself around her smooth calves and laid my cheek against her knee A shiver of pleasure ran through me as she stroked my hair fondly My own hand returned to the outside of my pants You knew I wouldn't want you to come here didn't you she asked I knew it was a dangerous question no matter how sympathetic her tone might sound but I could not lie to her Yes mistress I see She continued to stroke my head thoughtfully And how long have you been looking for me like this Driving around I mean I don't set out to mistress I explained in a rush I just I am going somewhere and I get distracted and before I know it I am driving slowly through block after block I almost don't admit to myself what I'm doing but I mean it just happens mistress How long has it just been happening A month maybe Maybe a little longer Her fingers grasped my neck and bent my head around forcing my head into a painful angle so that I was looking up at her That was how she was with me Sometimes it would not occur to her to ask me to do something She would just make my body do what she wanted it to I looked up into her eyes fearful but accepting of whatever punishment she gave me Things can't continue like this she said holding my face close to hers Do you understand why With difficulty I nodded If I can't trust you with this simple boundary then what trust is there at all We might as well not know each other Through my eyes alone I tried to communicate how sorry I felt and how desolate the idea of not knowing her sounded I wanted her to know that I understood why she was unhappy and that I was a thousand times unhappier for being the one who had caused this And yet I had not meant to I could not help it So this is what we're going to do Mitchell I'm going to show you how bad an idea it is for you to come here and if you are good and if you learn your lesson if I see you really trying to learn your lesson then I will give you something to help you make it until the next time I can see you Does that sound reasonable I nodded gratefully Everything felt so much better when she established a direction for us She was going to punish me and then she was going to help me The guilt and shame at having come here was lessened by the knowledge that I would pay for the transgression It was a mistake but she would address it and we would move on That was all that needed to happen I knew that whatever she did would be the right thing
