Focus Mike Schmoker, 2018-07-16 In this 2nd edition of *Focus Elevating the Essentials to Radically Improve Student Learning* Mike Schmoker extends and updates the case that our schools could be on the cusp of swift unparalleled improvements But we are stymied by a systemwide failure to simplify and prioritize we have yet to focus our limited time and energy on the most essential widely acknowledged evidence based practices that could have more impact than all other initiatives combined They are simple coherent curricula straightforward traditional literacy practices and lessons built around just a few hugely effective elements of good teaching As Schmoker demonstrates the case for these practices and the need for them has grown prodigiously In every chapter you ll find late breaking discoveries and practical advice on how to simplify the implementation of new state standards in the subject areas on the hidden pitfalls of our most popular but unproven instructional fads and programs and on simple versatile strategies for building curriculum planning lessons and integrating literacy into every discipline All of these strategies and findings are supported with exciting new evidence from actual schools Their success confirms as Michael Fullan writes that a focus on the best high leverage practices won t only improve student performance they will produce stunningly powerful consequences in our schools **Leading with Focus**

Mike Schmoker, 2016-01-20 In his 2011 ASCD best seller *Focus Elevating the Essentials to Radically Improve Student Learning* author Mike Schmoker described a fresh pproach to K 12 teaching built on three core elements a focused and coherent curriculum clear prioritized lessons and purposeful reading and writing or authentic literacy Now in *Leading with Focus* he shows administrators principals and other education leaders how to apply his model to the work of running schools and districts In this companion to his previous book Schmoker offers An overview of the case for simple focused school and district leadership demonstrating its power for vastly improving the work of teachers and leaders Examples of real schools and districts that have embraced focused leadership and the incredible results for student learning A practical flexible and easy to follow implementation guide for ensuring focused leadership in schools and districts All students deserve to learn in schools where educators eschew distractions and superfluous activities to concentrate on what s most important To that end this book is an essential resource for leaders ready to streamline their practice and focus their efforts on radically improving student learning

Focus Michael J. Schmoker, 2011 The introduction states T he only reason our schools haven t made astonishing progress in the last 30 years of reform is quite simple very few schools ever implemented what is essential the most powerful simple actions and structures that woulddramatically increase the proportion of students prepared for college or careers What is essential for schools Three simple things reasonably coherent curriculum what we teach sound lessons how we teach and far more purposeful reading and writing in every discipline or authentic literacy integral to both what and how we teach

ENC Focus ,2003 *The Learning Leader* Douglas B. Reeves,2020-08-31 We can t do that in our school district I don t have time to add that to my curriculum We re fighting against impossible odds with these students Sound familiar School improvement can often feel like a losing battle but it doesn t have to be In this fully revised and updated second edition of *The Learning Leader* Douglas B Reeves helps leadership teams go beyond excuses to capitalize on their strengths reduce their weaknesses and reset their mindset and priorities to achieve unprecedented success A critical key is recognizing student achievement as more than just a set of test scores Reeves asserts that when leaders focus exclusively on results they fail to measure and understand the importance of their own actions He offers an alternative the Leadership for Learning Framework which helps leaders identify and distinguish among four different types of educators and provide more effective tailored support to Lucky educators who achieve high results but don t understand how their actions influence achievement Losing educators who achieve low results yet keep doing the same thing expecting different outcomes Learning educators who have not yet achieved the desired results but are

working their way toward excellence Leading educators who achieve high results and understand how their actions influence their success Reeves stresses that effective leadership is neither a unitary skill nor a solitary activity The Learning Leader helps leaders reconceptualize their roles in the school improvement process and motivate themselves and their colleagues to keep working to better serve their students **A Leader's Guide to Mathematics Curriculum Topic Study** Page Keeley,2012-05-30 The Curriculum Topic Study CTS process funded by the National Science Foundation helps teachers improve their practice by linking standards and research on how children learn mathematics to classroom practice Keyed to the core book Mathematics Curriculum Topic Study this resource helps maths professional development leaders **A Sage on the Stage: Common Sense Reflections on Teaching and Learning** Michael Zwaagstra,2020-01-27 A collection of articles on what works for teachers and learners in the classroom and what doesn't Covers topics from school discipline to content knowledge to no zero policies Michael Zwaagstra is a public high school teacher and author He has extensive teaching experience at a variety of grade levels and currently teaches high school social studies in Manitoba Using Quality Feedback to Guide Professional Learning Shawn Clark,Abbey Duggins,2015-09-23 Professional development just got more effective To help teachers make positive changes for their students transform your feedback With this guide to quality feedback you'll promote professional growth clearly and successfully with lasting results Whether you work with novices struggling teachers or good teachers with potential for greatness this book helps you give feedback that's both heard and understood Features include Research based ideas aligned with the Learning Forward Standards for Professional Learning Structures for offering feedback on teacher created assessments in observations and through videos Advice that fits seamlessly into existing initiatives Tools artifacts and examples of quality feedback in action
