Teaching with Dystopian Text Michael Arthur Soares, 2023-10-10 Teaching with Dystopian Text propounds an exchange of spatial to pedagogical practices centered around Orwellian Spaces signaling a new utility for teaching with dystopian texts in secondary education The volume details the urgency of dystopian texts for secondary students providing theoretical frameworks classroom examples and practical research The function of dystopian texts such as George Orwell s 1984 as social and political critique is demonstrated as central to their power

Teaching with Dystopian Text Exploring Orwellian Spaces for Student Empowerment and Resilience makes a case that dystopian texts can be instrumental in the transfer of spatial practices to pedagogical practices Pedagogical application creates links between the text and the student through defamiliarization connecting the student to practices of resistance in the space of the classroom The volume also addresses the challenges of teaching dystopian text in a dystopian educational climate including the COVID 19 lockdown In addition to appealing to scholars and researchers of literacy education language education and dystopian text this book will also be a powerful yet accessible resource for secondary teachers as they address dystopian concerns with students in the complicated twenty first century Ay-Inversion in Tagalog Patrick

Nuhn,2021-10-11 Tagalog an Austronesian language is widely spoken and understood throughout the Philippine archipelago where it served as the basis for the national language Filipino The language is often cited for its many unusual linguistic properties Drawing on both spoken fieldwork data and written data from novels this study investigates several phenomena at Tagalog s interface of information structure and morphosyntax Aside from the default predicate initial word order the Tagalog language has several information structurally marked constructions that allow other constituents to appear in the sentence initial position One of these constructions is ay inversion Although it is often labeled a topic marking construction it is actually far more versatile This book aims to explore some of its many facets The investigation of ay inversion begins with a survey of its various uses that appear in the data including some that have to date received very little if any attention in the literature such as reversed ang inversion which combines two of the language s inversion constructions Selected observations are then modeled in Role and Reference Grammar and their implications for Tagalog syntax are explored Finally the role of ay inversion in anaphora resolution is investigated and selected processes are modeled in a frame based account
