## **Indesign Guide Book Templates:**

**Instant InDesign** Gabriel Powell, 2007-11-29 Instant InDesign is the first comprehensive guide to Adobe InDesign that focuses exclusively on the art of template design and production. You'll learn everything you need to know from key design principles and basic template architecture to advanced automation techniques. With practical tips and real world examples, you'll discover how to translate your great ideas into industrial strength templates. Magazine, newspaper, book, and catalog publishers, as well as ad agencies, graphic design firms, and independent designers, can all use this guide to boost productivity and enhance their creative process. Instant InDesign is the best single resource for fast and efficient page layout and production. This comprehensive guide shows you step by step how to use the powerful new features in InDesign CS3: text variables, frame fitting options, and table styles to create templates for ads, brochures, books, magazines, catalogs, and more. Make the most of master pages, paragraph and character styles, nested styles, object styles, and table styles to automate formatting. Optimize the use of typography, graphics, and images. Color object libraries and layers in your templates. Work with the new transparency options and nondestructive effects in InDesign CS3. Set up Data Merge and XML based templates to automate page production. Utilize and modify the templates that ship with InDesign CS3. Use Adobe Bridge to manage your text, image assets, and templates.

**Book Production Guide** Faktorovich, Anna, 2015-03 Explains all of the steps involved in creating a book with the Anaphora Literary Press. It is designed as a tool for editorial marketing and design interns of the press. It can also be used by publishing industry professionals who are working for other publishing houses, want to start their own press, or want to self-publish their book. This book can be a great tool in editing, marketing, and design college classes. The fourth edition of the Guide includes more detailed design and marketing advice and a long section with marketing lists of book reviewers, libraries, and bookstores that hold readings. You'll also find instructions for making YouTube book trailers and Smashwords E Books. Authors shouldn't set out on new book production and marketing ventures without reviewing the helpful information provided.
