The Leader in Me Stephen R. Covey, 2012-12-11 Children in today's world are inundated with information about who to be what to do and how to live But what if there was a way to teach children how to manage priorities focus on goals and be a positive influence on the world around them *The Leader in Me* is that programme It's based on a hugely successful initiative carried out at the A B Combs Elementary School in North Carolina To hear the parents of A B Combs talk about the school is to be amazed In 1999 the school debuted a programme that taught *The 7 Habits of Highly Effective People* to a pilot group of students The parents reported an incredible change in their children who blossomed under the programme By the end of the following year the average end of grade scores had leapt from 84 to 94 This book will launch the message onto a much larger platform Stephen R Covey takes the 7 Habits that have already changed the lives of millions of people and shows how children can use them as they develop Those habits begin with the end in mind put first things first think win win seek to understand and then to be understood synergize and sharpen the saw are critical skills to learn at a young age and bring incredible results proving that it's never too early to teach someone how to live well Student Self-Assessment
