A Pragmatic Guide to Low Intensity Psychological Therapy Elizabeth Ruth, James Spiers, 2023-05-17 With the rapidly growing demand for mental health care there is a need for efficient and effective psychological treatment options Low Intensity Psychological Therapy has become well established in the England Improving Access to Psychological Therapies IAPT programme as a beneficial and versatile treatment option for mild moderate symptoms of depression and anxiety A Pragmatic Guide to Low Intensity Psychological Therapy Care in High Volume provides a guide to Low Intensity Psychological Therapy from the perspective of the Low Intensity Practitioner This book describes the Low Intensity role as part of a multi disciplinary approach to psychological care The authors use a series of case vignettes personal experience and current literature to help navigate the context of the role and its potential for ethical and safe expansion Offers a practitioner perspective on the efficacy research of Low Intensity psychological interventions in adult populations with a focus on working with diversity Aims to support Low Intensity Practitioners in developing competency within the role with a focus on reflective practice supervision and personal wellbeing Includes case vignettes and examples to explore the real world implementation of Low Intensity interventions in group and individual settings including the management of long term physical health conditions Explores the benefits and pitfalls of the current role of the Low Intensity psychological practitioner within the IAPT programme Discusses the expansion of the Low Intensity psychological practice to international regions

Manual of Online Search Strategies C.J. Armstrong, J.A. Large, 2018-12-20 Published in 1992 like the first this second edition is not intended as introductory textbook command driven Boolean

searching It is targeted at online searchers who already have some knowledge of command languages and may be proficient searchers on databases in one or two subject areas but when required to venture into new and less familiar territory still need guidance It is also offered to end users who possess the subject expertise but lack of information retrieval know how The Manual is offered as a guide to database selection and a navigational aid through the twists and turns of the retrieval maze at least some of the dead ends and backtracking may thereby be avoided This volume written by experts in their various fields deals with the subject coverage and record structures of specific databases offers comparisons between databases context indexing procedures updating policies etc discusses the choice between online and CD ROM sources and between hosts if online is selected and illustrates strategies with numerous search extracts Sociology Leon Lowe, 2018-11-20 This is a six tier castle the ground floor for amenities and elderly care and severely disabled the first floor for the elderly and mildly disabled the second floor and third floor for parents with kids and the fourth and fifth floor for adult social care There are two hundred residential lodgings apartments on each floor taking the total of resident lodgings to 1 200 for each lodging Each lodging unit will be a spacious high speculation luxury and hold between one and four rooms The first and second floors will hold two bedrooms the second and third floors will hold between three and four bedrooms and the fourth and fifth floors will hold one and two bedroom lodgings with shared communal lounge cafeterias on each floor and communal toilet bathrooms Handbook of Aggressive and Destructive Behavior in Psychiatric Patients Robert T. Ammerman, Michel Hersen, L.A. Sisson, 2012-12-06 Scarcely a day passes without the media detailing some form of human aggression whether it be on its grandest scale in the form of war random bombings and shootings in the streets torture in a prison camp murder by gangs wife abuse resulting in the murder of the husband or the physical abuse of children sometimes resulting in their death Frequently perpetrators of human aggression when arrested and tried in court resort to a psychiatric defense But are all such aggressors indeed appropriately psychiatric patients And if so what are their particular diagnoses and how do these relate to aggression Also of concern is aggression directed against self as evidenced in the rising incidence of suicide among young people or the self mutilation of patients suffering from certain personality disorders Both violence directed outward and aggression toward oneself pose considerable challenges to clinical management whether in the therapist s office or in the inpatient unit Although we have not been able to find successful deterrents to aggression a sizeable body of evidence does exist certainly of a descriptive nature Such data for psychiatric patients are scattered however and can be found in literatures as diverse as the biological ethological epidemiological legal philosophical psychological psychiatric and criminological Therefore given the increased frequency with which mental health professionals encounter cases of violence in their day to day work we believed it important that existing data be adduced in one comprehensive volume **Managing Front Line Practice in Social Care** Daphne Statham, 2004 Written by key figures in the field of social care training and administration this much needed volume provides good practice guidance for front line

managers The contributions are based upon recent research into management practice *Mentoring and Coaching in Schools* Suzanne Burley, Cathy Pomphrey, 2011-03-25 Mentoring and Coaching in Schools explores the ways in which mentoring and coaching can be used as a dynamic collaborative process for effective professional learning *Applying Research Evidence in Social Work Practice* Martin Webber, 2017-09-16 This key textbook explores how good social work practice draws upon relevant and current research to ensure that interventions are as effective as possible Social workers are increasingly required to demonstrate their knowledge of the research and evidence that underpin the daily decisions they make and actions they take and it is therefore vital that they are not only up to date with the latest research but that they have the tools and understanding to successfully apply this to their practice Written by leading experts in the field this text book provides a step by step guide to implementing research in to every day social work practice This is essential reading for any one taking a research module on Social Work programmes at undergraduate and postgraduate level or practitioners wishing to advance their own practise and deliver the best possible service they can *OECD Health Policy Studies A Good Life in Old Age? Monitoring and Improving Quality in Long-term Care* OECD, European Union, 2013-06-17 This book offers evidence and examples of useful experiences to help policy makers providers and experts measure and improve the quality of long term care services
