

The background of the cover is a photograph of a woman with long dark hair, wearing a dark suit, running across a rooftop or balcony. She is moving away from the viewer towards the right. The ground is made of dark wooden planks. In the background, a city skyline with several tall buildings is visible under a bright, hazy sky. The overall color palette is dominated by dark blues, greys, and the warm tones of the city lights and sky.

**Indulgence In Death** J. D. Robb, 2010-11-11 It's playing more and more like it was for the thrill Just for the rush And if that's the way it is he's already looking for the next thrill First it was a limo driver shot through the neck with a crossbow Then it was a high priced escort found stabbed through the heart with a bayonet Random hits thrill kills and murderers with a taste for the finer things in life and death are making NYPD Lieutenant Eve Dallas angry And an angry Eve can be just as an efficient and dangerous predator as the killer As time runs out on another innocent victim's life Eve's investigation will take her into the rarefied circle that her lover Roarke travels in and into the perverted heart of madness **Crusade**

**Propaganda and Ideology** Christoph T. Maier, 2000-02-24 This book first published in 2000 presents an edition of seventeen ad status model sermons for the preaching of the crusades from the thirteenth and early fourteenth centuries The majority of these texts had never been printed before publication of this book They are unique sources for the content of crusade propaganda in the later Middle Ages giving a rare insight into the way in which propaganda shaped the public's view of crusading during that period Accompanying the Latin texts is an English translation which is aimed at making these sources accessible to a wider circle of students and scholars The first part of the book consists of a study of these model sermons which focuses on their place in the pastoral reform movement of the thirteenth century their specific character as models for the use of crusade propagandists their internal structure and the image of the crusade conveyed in the texts

*The Death of Kings* Michael Evans, 2007-01-01 A King's death was a critical and highly dramatic moment often with major political consequences This is an account of what is known about the deaths of all medieval English kings At the Hour of Our Death Jean-Miguel Garrigues, 2022-10-17 In this series of beautiful and accessible meditations Fr Jean Miguel Garrigues examines death and eternal life in the light of Christian revelation His work is the fruit of years of sustained theological reflection as well as his own experience accompanying terminally ill cancer patients as a hospital chaplain *At the Hour of Our Death* nourishes the vitally important theological virtue of hope It encourages us to accompany the dying with compassion love and prayer to live in communion with the saints of heaven and the holy souls of purgatory and to wisely and serenely prepare ourselves for the day when we too will be called to accomplish in the company of Jesus the great Passover from this life to the house of our heavenly Father The worldwide pandemic has brought end of life issues closer to many people than ever before Fr Jean Miguel's insights lucidly rendered into English by Fr Gregory Casprini will serve as a help and consolation to many strengthening their faith and encouraging them to pray for and accompany others FROM LIFE TO DEATH Richard Allen Brooks, 2011-02-09 If you are seeking perfect rhyme and meter go no further because you are about to read the wrong book of poetry If however you are seeking thoughtful introspection reasoned thought and query interrogatory and response then proceed to read this book for that is just what is in store for you in this first compilation of the poetic expressions of Richard Allen Brooks No one can fully understand or appreciate the works of another person We each bring to

our interpretation our own set of experiences through which we must view the work We have not lived the author's life tribulations exalts despair disappointments or jubilations Our interpretation of the author's work is thus a skewed vision of what the author intended in the original meaning of the work even if only slightly and it must be so in order to fit within the confines of our own personal experience which must always be different from that of the author if not in kind then in degree Starting with *A Friend Indeed* that offers encouragement Your Name tells of living your life but never obtaining the goals you've set for yourself while *The Falling Snow* was a quiet time after the loss of mother dear sitting on the steps of my younger sister's home just looking out the window at the flakes landing here and there Another one *How Sad This Day* expresses a loss after losing another loved one and then there is *Between Atlantic and Pacific* an awareness of those who died during World War II and a memorial dedicated to them Additionally the reader must be advised that Mr Brooks throughout his life has been a tireless giver of his time and energy to the advancement of mankind in every manner at his disposal As much joy as his work has brought him it has also contained bitter returns through many people who mistook his willingness to be of assistance as a weakness and thus resulted in significant pain and disappointment being experienced by Richard There are many other themes running through this work However there are three predominant and recurring themes which the reader will be confronted with Richard's profound sense of loss on the death of his mother a search for direction and the passing of time This work should be read with deliberation Much of what it has to offer cannot be appreciated through casual mindless reading However if you take the time to think about not just what is being said but why it is being said and the message that is being conveyed in each poem you will come away from this book greatly enriched in your understanding of the significance of love loyalty commitment compassion and understanding not just for your fellow man but for yourself Marilyn V Joyner

*The Complete History of the Black Death* Ole Jørgen Benedictow, 2021 Completely revised and updated for this new edition Benedictow's acclaimed study remains the definitive account of the Black Death and its impact on history The first edition of *The Black Death* collected and analysed the many local studies on the disease published in a variety of languages and examined a range of scholarly papers The medical and epidemiological characteristics of the disease its geographical origin its spread across Asia Minor the Middle East North Africa and Europe and the mortality in the countries and regions for which there are satisfactory studies are clearly presented and thoroughly discussed The pattern pace and seasonality of spread revealed through close scrutiny of these studies exactly reflect current medical work and standard studies on the epidemiology of bubonic plague Benedictow's findings made it clear that the true mortality rate was far higher than had been previously thought In the light of those findings the discussion in the last part of the book showing the Black Death as a turning point in history takes on a new significance OLE J BENEDICTOW is Professor of History at the University of Oslo

complex and fascinating Christopher Daniell's approach to this subject is unusual in bringing together knowledge accumulated from historical archaeological and literary sources. The book includes the very latest research both of the author and of others working in this area. The result is a comprehensive and vivid picture of the entire phenomenon of medieval death and burial. *The Facts of Death* Tony McCarthy, 2006 *Death of the Church* Mike Regele, Mark Schulz, 1995. Our culture is changing at a dizzying rate. But the church seems to be left behind, caught in subcultural backwaters that have little or no impact on mainstream society. DIE O YOGI DIE. What a wonderful statement. He says die, disappear, be completely obliterated. DIE O YOGI DIE. DIE SWEET IS DYING. Because in this universe there is nothing sweeter than death. DIE THAT DEATH and die such a death. GORAKH DIED AND SAW die that way in which Gorakh attained enlightenment. In the same way you die and see. One death we are already familiar with in which the body dies but our ego and mind go on living. This same ego finds a new womb. This same ego troubled by new desires again starts off on the journey. Even before leaving behind one body it is already eager for another. This death is not the real death. *The History of Thoughts in Wei, Jin, Southern and Northern Dynasty* Li Shi. The book is the volume of *The History of Thoughts in Wei, Jin, Southern and Northern Dynasty* among a series of books of *Deep into China Histories*. The earliest known written records of the history of China date from as early as 1250 BC from the Shang dynasty c. 1600-1046 BC and the *Bamboo Annals* 296 BC describe a Xia dynasty c. 2070-1600 BC before the Shang but no writing is known from the period. The Shang ruled in the Yellow River valley which is commonly held to be the cradle of Chinese civilization. However, Neolithic civilizations originated at various cultural centers along both the Yellow River and Yangtze River. These Yellow River and Yangtze civilizations arose millennia before the Shang. With thousands of years of continuous history, China is one of the world's oldest civilizations and is regarded as one of the cradles of civilization. The Zhou dynasty 1046-256 BC supplanted the Shang and introduced the concept of the Mandate of Heaven to justify their rule. The central Zhou government began to weaken due to external and internal pressures in the 8th century BC and the country eventually splintered into smaller states during the Spring and Autumn period. These states became independent and warred with one another in the following Warring States period. Much of traditional Chinese culture, literature and philosophy first developed during those troubled times. In 221 BC Qin Shi Huang conquered the various warring states and created for himself the title of Huangdi or emperor of the Qin, marking the beginning of imperial China. However, the oppressive government fell soon after his death and was supplanted by the longer-lived Han dynasty 206 BC-220 AD. Successive dynasties developed bureaucratic systems that enabled the emperor to control vast territories directly. In the 21 centuries from 206 BC until AD 1912, routine administrative tasks were handled by a special elite of scholar-officials. Young men well-versed in calligraphy, history, literature and philosophy were carefully selected through difficult government examinations. China's last dynasty was

the Qing 1644 1912 which was replaced by the Republic of China in 1912 and in the mainland by the People's Republic of China in 1949 Chinese history has alternated between periods of political unity and peace and periods of war and failed statehood the most recent being the Chinese Civil War 1927 1949 China was occasionally dominated by steppe peoples most of whom were eventually assimilated into the Han Chinese culture and population Between eras of multiple kingdoms and warlordism Chinese dynasties have ruled parts or all of China in some eras control stretched as far as Xinjiang and Tibet as at present Traditional culture and influences from other parts of Asia and the Western world carried by waves of immigration cultural assimilation expansion and foreign contact form the basis of the modern culture of China
