

INDUSTRIAL ENGINEERING AND MANAGEMENT

The book cover features a vibrant green background with a large, stylized human silhouette. Inside the silhouette, a series of green rectangular blocks are arranged in a funnel-like pattern, leading towards the center. In the upper left, a futuristic satellite or probe is depicted. In the upper right, a circular object resembling a CD or a lens is shown. In the lower right, a man in a white shirt and tie is seated at a desk, looking towards the viewer. A woman is seated in front of him, looking down at a document. A large, glowing, multi-layered sphere is positioned between the man and the woman. The overall theme suggests a blend of technology, management, and human resources.
