Joan Makes History Large Print 16pt:

Communication with All Life (Large Print 16pt) Joan Ranquet, 2010-06-21 Although *Communication with All Life* is about animal communication it isn't just a how to book but a guide that will help you discern how much you're already exchanging feelings words and pictures with your pet Woven throughout the book are many stories to illustrate and support the theory that animal communication isn't something that you do or need to learn it just is By tuning in telepathically Joan Ranquet has helped thousands of people and animals deepen their connections with each other resolve behavioral problems assist in the process of death and dying and examine issues surrounding illness and accidents Many of the situations that are dealt with throughout the book are actually people perception problems rather than stories of an ill behaved dog cat horse bird or other pet *Communication with All Life* illustrates how to move past the emotional patterns that create unwanted behavior and ultimately demonstrates that animal companions give humans the opportunity to enact leadership and responsibility in their thoughts and feelings to ensure harmony at home

Minding the Body, Mending the Mind (Large Print 16pt) Joan Borysenko, 2010-06 Based on Dr Borysenko's groundbreaking work nearly twenty years ago at the Mind Body Clinic in Boston *Minding the Body Mending the Mind* continues to be a classic in the field with time tested tips on how to take control of your own physical and emotional wellbeing The clinic's dramatic success with thousands of patients with conditions ranging from allergies to cancer offers vivid proof of the effectiveness of the mind body approach to health and its power to transform your life Here are tips on how to elicit the mind's powerful relaxation response to boost your immune system cope with chronic pain and alleviate symptoms of a host of stress related illnesses Updated with the recent developments in the field the new edition is a must have for anyone interested in taking an active role in healing himself or herself

Dirty Story and Other Plays (Large Print 16pt) John Patrick Shanley, 2011-03 Three new works by Pulitzer Prize winning author John Patrick Shanley one of our country's most politically current and theatrically elastic playwrights In *Dirty Story* a couple of sadomasochistic writers fight over rights to their New York City loft In this sexy satire of the Israeli Palestinian conflict that is astonishing says Tony Kushner the analysis of the Middle East in this play is dead on exactly perfectly pitched In his dark comedy *Where's My Money* Shanley takes on marriage infidelity and divorce lawyers in a play that is so harsh it's funny terrifying but funny The New York Times And in his *Sailor's Song* love becomes an act of courage in a seaside romance about the certainty of death the brevity of youth and the importance of now

Hidden Buddhas (Large Print 16pt) Liza Dalby, 2010-06 *Hidden Buddhas* may well be Liza Dalby's best work yet with its fascinating story of characters caught up in a world they themselves don't understand Besides taking us on a journey through little known corners of Japan it offers us an engaging and believable portrait of people driven to do things they may not have imagined Arthur Golden author of *Memoirs of a Geisha* According to Buddhist theology the world is suffering through a final corrupt era called mapp As mapp continues chaos will increase until

the center can no longer hold Then the world will end In Japan many believe that Miroku Buddha of the Future will appear and bring about a new age of enlightenment From this ancient notion of doom and rebirth comes a startling new novel by the acclaimed author of *Geisha* and *The Tale of Murasaki* Hundreds of temples in Japan are known to keep mysterious hidden buddhas secreted away except on rare designated viewing days These statues are not hidden because they are powerful their power lies in their being hidden Are they being protected or are they protecting the world In this novel one Buddhist priest struggles with the dictates of his inherited orthodoxy while another rebels An American graduate student begins to suspect the mysterious purpose of the hidden buddhas just as he falls in love with a beautiful Japanese artist who is haunted by an aborted child The weaving of karma that brings these two together results in a tech savvy half Western half Japanese child who text messages her way through the profane world to enlightenment Tracing the lives of its characters through the late twentieth century to the present from Paris to Kyoto to California *Hidden Buddhas* turns a cosmopolitan eye on discipline and decadence in religion fashion politics and modern life Liza Dalby is an anthropologist and writer specializing in Japan She lives in Berkeley California *The Complete Directory of Large Print Books & Serials* ,1994 **Australian Book Review**

since President John F Kennedy was assassinated on the streets of Dallas on November 22 1963 No event in the post war era not even the terrorist attacks of September 11 2001 has cast such a long shadow over our national life The murder of the handsome and vigorous president shocked the nation to its core and shook the faith of many Americans in their institutions and way of life The repercussions from that event continue to be felt down to the present day Looking back it is now clear that Kennedys death marked a historical crossroads after which point events began to move in surprising and destructive directions In *Camelot and the Cultural Revolution How the Assassination of John F Kennedy Shattered American Liberalism* James Piereson examines this seminal event from an entirely new and provocative point of view Most books on the assassination take up the question as to who was really responsible for killing the President Mr Piereson takes it as established fact that Kennedy was killed by Lee Harvey Oswald What needs to be explained he argues is the bizarre aftermath of the assassination Why in the years after the assassination did the American Left become preoccupied with conspiratorial thinking How and why was John F Kennedy transformed in death into a liberal icon and a martyr for civil rights In what way was the assassination linked to the collapse of mid century liberalism a doctrine which until 1963 was the reigning philosophy of the nation In answering these questions Piereson places great weight on the influence of Jacqueline Kennedy in shaping public memory of her husband and the meaning of his death The Kennedy assassination he argues is a case study in public myth making and the ways in which images and symbols can override fact and substance in political life
