Howard Eugene Wright, 2009-04-20 When the Ruling Elite's promise of a genuine change short changes you this book will show you how to change your despair into a changeless hope in your ever changing world The rest is in your hands *Until Shiloh Comes* Cy Mersereau, 2017-08-02 It is incredible that the first promise of a coming Messiah came not to our first parents Adam and Eve but to the serpent who had so deceitfully engineered their downfall Genesis 3:15 records that God's promised Seed of the woman was destined to defeat the seed of the serpent which anticipated the gospel of the Lord Jesus Christ This is known as the first good news or proto evangelium whose blessed promise became the focal point of the entire Old Testament Threading its way through Abraham and his descendants this promise came to rest on his great grandson

Judah and remained there for all succeeding generations finding fruition in the first coming of the Messiah indicated by the words of Genesis 49 10 until Shiloh comes Throughout history Bible scholars have largely agreed that Shiloh which means peace references the first coming of the Lord Jesus Christ the Prince of Peace the Lion of the tribe of Judah The Old Testament is the foundational document for all that follows in the New Testament and should never be relegated to inferior status These older scriptures were given for our admonition and should be esteemed and appreciated in the same manner as the New Testament writings until Shiloh comes the second time

**Virgins, Harlots and Sex** David Chesney, 2011-02-14

AN Earthy Look At Christianity Many biblical terms have a consistent symbolic significance from Genesis to Revelation eg nudity light and darkness virgins harlots Nudity occurs in three of the most significant events in the whole Bible and in every case it is best understood symbolically This book demonstrates that symbolism is so powerful it can for example change the status of Isaiah s virgin birth prophecy from an absurdity to an astonishing fulfilment of prophecy Harlots described in the book as God s warning lights also figure very prominently in the biblical coverage of both Jews and Christians Another key theme is to show that the raw seed concepts of the Hebrew Bible evolve so neatly into the Christian New Testament viewpoint over a 1000 years that readers may conclude uninspired biblical script writers could not have organized it Here are some quotes from the book that introduce intriguing and or provocative new trains of thought

- 1 If you think linking sex with religious experience is a bit rich then you need to do some more Bible study
- 2 Indulgence in adultery is the most obvious of the sins proscribed in the Ten Commandments that could trace directly to hormonal influences
- 3 Should we be joining Haters Anonymous Schadenfreude Anonymous or Egotists Anonymous in order to qualify for a better land and to actually enjoy it
- 4 Some of our excretory functions are less than ideal for a brand new earth the creator team could have done better by us if they wanted to
- 5 It is tacitly assumed God did not conduct experiments in His creation efforts No need to He knows the end from the beginning

But Other challenging insights emerge in connection with Lot s use of his daughters as sex sops the possible symbolic significance of the Mosaic decree to cut off a lady s hand if she squeezed testicles the massaging of data in St Matthew s genealogies a religious uncertainty principle and the reason God doesn t do something to stop the frightful things happening in the world This is not a book built on hype and emotion It makes extensive use of scholarly sources but has a light hearted journalistic approach and is easy to read In exploring the spiritual import of sexual issues in nature and revelation it offers fresh perspectives on the bitter creation evolution debate the gross and genocidal behavior of the chosen people the currently unacceptable biblical restrictions on human sexual behavior and the decidedly low key role of women in organized religion Innovative succinct engaging thought provoking and sometimes shocking

**Dating the Old Testament** Craig Davis, 2007-04

Dating the Old Testament addresses the subject of when the books of the Bible were written It explains why the books of Genesis through Deuteronomy are a literary unity and how the Egyptian background for these books support a date of writing during the exodus generation It provides a detailed critique of the Documentary Hypothesis

the theory that Genesis through Joshua were created from four different sources usually labelled J E D and P It provides extensive evidence that all of Isaiah was written by Isaiah himself and shows why Isaiah may have had a role in the collection and publication of other Old Testament books It describes why the book of Daniel should be considered a product of the early Persian era and not the much later Maccabean period The book contains a discussion of how the Hebrew language changed during the Old Testament era and how this can be used to help date the books of the Old Testament *(Re)reading Ruth* William A. Joy Unspeakable Peter Y. Lee,2019-01-03 In this fallen world Christians often suffer due to no fault of their own Imagine a loving spouse who suffers the pains of marital unfaithfulness or loving Christian parents who suffer the loss of their child Now imagine that you can overcome the pain and instead experience a joy unspeakable 1 Pet 1 8 That is the message of this book It teaches that to experience righteous suffering is to fellowship with Christ in his sufferings 1 Pet 4 13 We desire to know the glory of Christ but that is only half of what he experienced Unless we know Jesus suffering we will never know the whole Jesus And to know Jesus is the greatest joy of a believer a joy unspeakable
