Filing schedules, form names, form numbers and download links are also included. Credit cards are critical these days, so learn how the system really works and minimize chargebacks, disputes and headaches. Includes 35 important definitions and 12 ways to minimize fraud and lots more too. Joe Kennedy has more than twenty years of experience in operating and working with hundreds of small businesses, a degree in finance and an MBA. He knows how entrepreneurs think and their drive to get to the essence of an issue, make the right decision and quickly move on. Impatient business owners will prefer this book since only the most relevant information is provided. A few bigger books are out there but this one is not puffed out with clutter and other information you already knew. With years of experience in the IT industry, Joe knows a lot about the Internet too, so the content here is better than web-based searches. The Small Business Owner's Manual is great for those starting a business, operators of existing enterprises or as a gift.
