Joey And Parker A Tail Of Two Cats English Edition:

Joey and Parker Patricia Lightner, 2016-12-31 *Joey and Parker A Tail of Two Cats* is a picture book with text that links very well with the pictures. It is a true story dictated by two cats, Joey and Parker, who live with the author. Sorry guys, I am taking some credit here too. The author has a chronic illness which is no laughing matter. And yet some funny things have happened along the way and the cats want to have their say. It is said that laughter is the best medicine. This book was written in good taste. However, it is not all fun and games. As a serious advocate for a cure for Parkinson's disease, I felt compelled to add a chapter of my own and briefly but hopefully and effectively get on my soapbox for increased medical research funding for all diseases. Overall, this is a fun picture book intended to provide you with some lighthearted moments. Enjoy.

The study of relationships is of concern to sociology, psychology, and anthropology. Dating is a form of courtship consisting of social activities done by two persons with the aim of each assessing the other's suitability as a partner in an intimate relationship or as a spouse.

Fundamental Acting Paul Kuritz, 1998 Applause Books. Aimed at the beginning acting student, this book takes a commonsense approach to the craft, building on basic techniques in the first part and then going on to cover two distinct types of theater: comedy and Shakespearean verse. Kuritz introduces basic acting techniques through a series of simple exercises. The section on verse analyzes accent and rhythm with examples of dialog, while the comedy chapter lists 15 examples of comic situations along with definitions and examples of comic figures of speech. Warm-up exercises, comic dialect guidelines, and a general stage terminology contribute to the usefulness of the book. Recommended for theater arts collections in public high school and college libraries.
