questions about just how happy it really is That the book itself is not sour but constantly fresh and frequently funny is the result of Orwell's steady unsentimental attention to the telling detail his dry quiet humor his fascination with both the follies and the excellences of his characters and his courageous refusal to embrace the comforts of any easy answer *Keep the Aspidistra Flying* George Orwell, 2021 *Keep the Aspidistra Flying* first published in 1936 is a socially critical novel by George Orwell It is set in 1930s London The main theme is Gordon Comstock's romantic ambition to defy worship of the money god and status and the dismal life that results Two aspidistra plants The types he saw all round him especially the older men made him squirm That was what it meant to worship the money god To settle down to Make Good to sell your soul for a villa and an aspidistra To turn into the typical bowler-hatted sneak Strube's little man What a fate Ch III Orwell wrote the book in 1934 and 1935 when he was living at various locations near Hampstead in London and drew on his experiences in these and the preceding few years At the beginning of 1928 he lived in lodgings in Portobello Road from where he started his tramping expeditions sleeping rough and roaming the poorer parts of London At this time he wrote a fragment of a play in which the protagonist Stone needs money for a life-saving operation for his child Stone would prefer to prostitute his wife rather than prostitute his artistic integrity by writing advertising copy *Modern Classics Keep the Aspidistra Flying* George Orwell, 2014-03-04 Gordon Comstock loathes dull middle-class respectability and worship of money He gives up a good job in advertising to work part-time in a bookshop giving him more time to write But he slides instead into a self-induced poverty that destroys his creativity and his spirit Only Rosemary ever faithful Rosemary has the strength to challenge his commitment to his chosen way of life Through the character of Gordon Comstock Orwell reveals his own disaffection with the society he once himself renounced Enlivened with vivid autobiographical detail George Orwell's *Keep the Aspidistra Flying* is a tragically witty account of the struggle to escape from a materialistic existence with an introduction by Peter Davison in Penguin Modern Classics *Keep the Aspidistra Flying* George 1903-1950 Orwell, 2021-09-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Cambridge Companion to George Orwell** John Rodden, 2007-06-21 Publisher description **Poetry, Politics and Dorothy Gone Horribly Astray** Kevin Higgins, 2006-01-01 *A Rebecca Clarke Reader* Liane Curtis, 2005 **"The" Complete Works of George Orwell** George Orwell, 1986 **Keep the Aspidistra Flying** George Orwell, 1956
