# Northwestern Kellogg Essay Examples & Tips, 2022-2023 | mbaMission

*mbaMission*

19–24 minutes

Applicants to the Kellogg School of Management at Northwestern University must provide two required written essays. The first deals with a leadership experience that resulted in some form of ongoing merit, while the second focuses on candidates' guiding principles. Interestingly, both essays center on “value(s)” but in very different ways, according to two separate definitions of the term. Kellogg’s questions thereby seem to address two key aspects of business today, and candidates will need to demonstrate their awareness of both and their potential to fulfill them. In addition, the admissions committee requires that applicants submit three brief video essays, but thankfully, it gives candidates some information in advance as to what the questions are (or at least are about) as well as significant opportunities to practice before recording their official responses. For more advice on interpreting and approaching the school’s essay and video
