Anni K. Reinking,Theresa M. Bouley,2021-04-01 The Economic and Opportunity Gap has a great deal of information ideas
and resources focused on children and families living in poverty Specifically how teachers and other professionals working
with students can reflect improve and implement inclusive practices The information in this book is based in research such as
the foundational starting piece that nearly one fourth of our children in the United States are living in poverty a whopping
21% This number one that is doubled in some communities and does not consider children in families near the poverty line is
striking when compared to other similarly situated countries Understanding that many students and families are on the
trajectory of poverty will come to light as readers make their way through from statistics to research to definitions to action
