Managing Human Resources 15th Edition:

Human Resource Management, 15e Gary Dessler, Biju Varrkey, Human Resource Management provides students with the daily tools and skills they need to function as successful managers in both human resources and business in general. With a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms such as LinkedIn and cloud computing. The fifteenth edition focuses on the positive impacts technology has had on the HR field. The ability to vet potential employees on the Internet shifts more HR responsibilities to managers, leaving HR departments with more time to carry out strategic long-term endeavours for boosting employee performance and engagement. With a heavy focus on emerging industry trends, the text prepares students with everything they need to be successful managers and HR personnel in the 21st century. Fundamentals of Human Resource

Management Susan L. Verhulst, David A. DeCenzo, 2024-09-24. Build the foundational knowledge and skills needed to succeed in the quickly evolving environment of HR, updated with new content designed to strengthen student comprehension and engagement. Fully revised and updated with input from practicing HR professionals and teaching faculty. Fundamentals of Human Resource Management provides a concise and student-friendly introduction to the field of Human Resource Management. HRM Now in its fifteenth edition, this popular undergraduate textbook offers thorough coverage of all key topics and competencies recommended by the Society of Human Resource Management (SHRM) and the Human Resource Certification Institute (HRCI). With an engaging and relatable narrative style, Fundamentals of Human Resource Management guides students through essential HRM topics such as human resource functions, employee relations, talent acquisition, training and development, health and safety, performance management, strategy and planning, legal and regulatory considerations, and more. Each chapter is filled with illustrative examples and hands-on activities based on current and emerging issues in the HR world. Acclaimed for its focused, systematic, and practical approach, Fundamentals of Human Resource Management, Fifteenth Edition, remains an ideal textbook for undergraduate courses on core HRM concepts.

Managing Human Resources Alan Cowling, Chloe Mailer, 2013-06-17. This is the third edition of a book which has gained wide acceptance in universities and colleges for use on advanced courses in human resource management. Written by a team of recognized experts in their field, it combines a high academic standard with an applied approach to the challenges facing managers today, which will appeal to both line managers and human resource managers. HUMAN RESOURCE MANAGEMENT, SEVENTH EDITION PATTANAYAK, BISWAJEET, 2025-06-02. Human intellect remains irreplaceable. Despite rapid technological advancements, and the rise of artificial intelligence, technology will always serve as a tool to enable progress rather than replacing the human touch. In any organization, human resources are the most valuable asset, and managing them is often more complex than handling technology due to the absence of programming or automation. In today's fast-evolving global business environment, the role of human resource management (HRM) has undergone a significant

transformation HRM is now more strategic playing a crucial role in adding value to organizational goals Changes in workforce demographics business dynamics and technological innovations have prompted a revision of this book's content to ensure it remains relevant and aligned with contemporary needs The seventh edition of this book is a thoroughly updated and revised version designed to enhance students' understanding of HRM in the rapidly changing business world It incorporates the latest research applications and real world examples to bridge theory and practice effectively

FEATURES OF THE SEVENTH EDITION Chapters organized according to the Harvard Framework Complete revision and updating of all chapters Inclusion of the latest sector developments Focus on contemporary HR practices Introduction of new HR models illustrations and practical examples Integration of Indian case studies in each chapter
