What Happens Next Bible Study Guide plus Streaming Video Max Lucado,2024-08-13 What comes to mind when you think about the end times If you are like many Christians you might not think about it much at all You have a carpe diem kind of faith that focuses on the here and now Why occupy your thoughts with the not yet when you have enough to deal with in the right now The answer is simple because Jesus focused on the end times A full thirty percent of his teachings in the Gospels have to do with discourses on heaven hell and the events that will signal the final age So if Jesus made the end times a priority it only makes sense that his followers would make it a priority as well Perhaps one of the reasons why you don t like to think about the end times is because you know it will involve turmoil and strife Indeed Jesus said the final days would be marked by events that include economic turmoil political conflicts ethnic tensions persecution of Christians famines wars and rumors of wars diseases false

prophets waning faith in Jesus and other fearful sights Jesus declared All these are the beginning of birth pains Matthew 24 9 Labor pains increase in frequency and intensity as the delivery draws near Jesus was speaking of a day in which the same will happen in the world Now when it comes to considering these events that will signal the end of the age you have a choice as to how you will respond You can see these circumstances through the eyes of fear or faith The eyes of fear see little reason for hope and ample reason for anxiety However the eyes of faith see history inching closer and closer to a new era that will usher in a heavenly destiny a time when you will reach the end of the race and receive the heavenly prize Philippians 3 14 nlt God has told you what to expect not to scare you but to prepare you He is like a pilot on the intercom telling the passengers about impending turbulence A good pilot keeps his travelers informed Your good Father does the same God wants you to have a deep seated confidence that he is firmly on his throne and the future is in his hands He has given prophecy to empower his saints with the reassurance that whatever happens in this life he is ultimately sovereign *Romans Bible Study Guide* Max Lucado,2021-03-09 The core idea of the book of Romans is that we are saved from sin by the grace of Christ The apostle Paul unpacks the power of grace in a way that can completely change your life In this six session Bible study DVD video streaming not included the first of the 40 Days Through the Book series Max Lucado welcomes you and your group into the knowledge and freedom of grace with his exploration of Paul s letter to the Roman church Throughout the study you ll explore the book of Romans with Max to gain a deeper understanding of its context and content focusing on central truths such as The extent and power of sin The amazing reality and availability of God s grace The battle we re still in and the hope we have despite the lies of the enemy The grand story from creation to restoration that we re all a part of The call to live in fellowship with each other and with Christ When we truly understand the power of grace it sets us free from having to do good so that we can do good A true understanding of grace should not shackle us to works but liberate us to live in the presence of Christ 40 Days Through the Book series Each of the studies in this series taught by a different pastor or Bible teacher on a specific book of the Bible is designed to help you more actively engage with God s Word by understanding its background and culture and applying it in a fresh way to your life Throughout each study you ll be encouraged to read through the corresponding book in the New Testament at least once during the course of 40 days Designed for use with the Romans In the Grip of Grace Video Study available on DVD or streaming video sold separately 30 Days to Understanding the Bible Study Guide Max Anders,2020-05-12 Start Your 30 Day Journey to Master the Bible For many people regardless of their level of experience the Bible can seem intimidating Maybe you ve tried to read or learn about the Bible in the past and found it hard to understand Maybe you ve been reading it for years but you still lack confidence when it comes to expressing what it says Throughout the videos DVD video steaming sold separately that accompany each of these six sessions along with the interactions and exercises in this study guide you will build a solid foundation of knowledge for understanding the most important book ever written With author and pastor Max Anders you ll have a complete understanding of the story of the
