EMS. Barbara Houghton, 2005 **EMS**. Bianca Visser, 2024 **Being a Teacher in Post-Apartheid South Africa** Yusuf Sayed, Marcina Singh, 2025-05-01 In a compelling exploration of the challenges faced by newly qualified teachers NQTs in South Africa's evolving educational landscape this book provides an empirically grounded account of their experiences Drawing on extensive research it offers a poignant narrative that seeks to illuminate the nuanced journey these educators embark upon as they transition from teacher education spaces to the complex reality of classrooms in post Apartheid South Africa The book acts as a crucial platform for the voices of NQTs shedding light on the myriad enablers and disablers they encounter during this transformative period Timely and relevant it tackles pressing questions about the readiness of teacher education to prepare students for the demands of South African schools The book charts the transition from teacher education to active teacher for NQTs The lessons distilled from this research present a clarion call for a re assessment of teacher education policies and practices This book arrives at a pivotal moment as South Africa reviews its teacher education policies With the quality of initial teacher education programmes under scrutiny the book's critiques findings and recommendations serve as indispensable tools for policymakers arguing for the need to reconceptualise South African teacher education policies As South Africa strives to avoid a cycle of developing new teachers only to lose them due to inadequate support this book seeks to support educators policymakers and all those invested in the future of South African education toward creating a more socially just education system recognising the highly unequal society in which teachers work Teacher Development for Content-Based Language Education Susan Ballinger, Ruth Fielding, Diane J. Tedick, 2024-09-10 This book fills a large gap in our understanding of how to prepare teachers for the challenging but increasingly popular task of integrating content and language instruction It brings together findings on content based teacher education from Africa Asia Australia Europe and North America in order to inform researchers and teacher educators and enable them to play a critical role in the continued success of such programs It offers a solid grounding in theories and applications of content based approaches with empirical studies investigating teacher identity materials design use of cognitive discourse functions and best practices for teacher education Responding to the growing popularity of content based programs and the shortage of qualified teachers for these contexts this book promotes teacher researcher collaboration and provides support for trainee teachers in service teachers and course leaders *EMS*, 2017 *EMS*.
