## **Encounters In Performance Philosophy:**

**Encounters in Performance Philosophy** Laura Cull Ó Maoilearca, A. Lagaay, 2014-10-16 Encounters in Performance Philosophy is a collection of 14 essays by international researchers which demonstrates the vitality of the field of Performance Philosophy. The essays address a wide range of concerns common to performance and philosophy including the body language performativity mimesis and tragedy.

**The Routledge Companion to Performance Philosophy** Laura Cull Ó Maoilearca, Alice Lagaay, 2020-07-08 The Routledge Companion to Performance Philosophy is a volume of especially commissioned critical essays, conversations, collaborative creative and performative writing mapping the key contexts, debates, methods, discourses and practices in this developing field. Firstly, the collection offers new insights on the fundamental question of how thinking happens, where, when, how and by whom philosophy is performed. Secondly, it provides a plurality of new accounts of performance and performativity as the production of ideas, bodies and knowledges in the arts and beyond. Comprising texts written by international artists, philosophers and scholars from multiple disciplines, the essays engage with questions of how performance thinks and how thought is performed in a wide range of philosophies and performances from the ancient to the contemporary. Concepts and practices from diverse geographical regions and cultural traditions are analysed to draw conclusions about how performance operates across art, philosophy and everyday life. The collection both contributes to and critiques the philosophy of music, dance, theatre and performance, exploring the idea of a philosophy from the arts. It is crucial reading material for those interested in the hierarchy of the relationship between philosophy and the arts, advancing debates on philosophical method and the relation between Performance and Philosophy more broadly. Chapter 19 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license.

**Inter Views in Performance Philosophy** Anna Street, Julien Alliot, Magnolia Pauker, 2017-09-20 This book offers a glimpse of new perspectives on how philosophy performs in the gaps between thinking and acting. Bringing together perspectives from world-renowned contemporary philosophers and theorists including Judith Butler, Alphonso Lingis, Catherine Malabou, Jon McKenzie, Martin Puchner and Avital Ronell, this book engages with the emerging field of performance philosophy, exploring the fruitful encounters being opened across disciplines by this constantly evolving approach. Intersecting dramatic techniques with theoretical reflections, scholars from diverse geographical and institutional locations come together to trace the transfers between French theory and contemporary Anglo-American philosophical and performance practices in order to challenge conventional approaches to knowledge. Through the crossings of different voices and views, the reader will be led to explore the in-between territories where performance meets traditionally philosophical tools and mediums such as writing, discipline, plasticity, politics or care.
