BESTSELLER This ebook edition contains a special preview of Dean Koontz s *The Silent Corner* If you don t take this note to the police I will kill a lovely blond schoolteacher If you do I will instead kill an elderly woman active in charity work You have six hours to decide The choice is yours The typewritten note under his windshield seems like just a sick joke But in less than twenty four hours Billy Wiles an ordinary hardworking guy is about to see his life take on the speed of a nightmare Because a young blond schoolteacher is murdered and now Billy has another note And another deadline This time he knows it s no joke He s racing a killer faster than evil itself And Billy must accept his terrifying challenge The choice is yours Think fast Fear never slows down *Running the River* Wes Ferguson,2014-02-27 Growing up near the Sabine journalist Wes Ferguson like

most East Texans steered clear of its murky debris filled waters where alligators lived in the backwater sloughs and an occasional body was pulled from some out of the way crossing The Sabine held a reputation as a haunt for a handful of hunters and loggers more than a few water moccasins swarms of mosquitoes and the occasional black bear lumbering through swamp oak and cypress knees But when Ferguson set out to do a series of newspaper stories on the upper portion of the river he and photographer Jacob Croft Botter were entranced by the river s subtle beauty and the solitude they found there They came to admire the self described river rats who hunted fished and swapped stories along the muddy water plain folk who love the Sabine as much as Hill Country vacationers love the clear waters of the Guadalupe Determined to travel the rest of the river Ferguson and Botter loaded their gear and launched into the stretch of river that charts the line between the states and ends at the Gulf of Mexico To learn more about The Meadows Center for Water and the Environment sponsors of this book s series please click here [Popular Mechanics](#) ,1993-07 Popular Mechanics inspires instructs and influences
