### SERVICE

*In the Ford Motor Company we emphasize service equally with sales \* It has always been our belief that a sale does not complete the transaction between us and the buyer but establishes a new obligation on us to see that his car gives him service \* We are as much interested in his economical operation of the car as he is in our economical manufacture of it \* This is only good business on our part \* If our car gives service, sales will take care of themselves \* For that reason we have installed a system of controlled service to take care of all Ford car needs in an economical and improved manner \* We wish all users of Ford cars to know what they are entitled to in this respect so that they may readily avail themselves of this service.*
