THE YOGA THERAPY HANDBOOK - BOOK FOUR - REVISED SECOND EDITION ROGER MARTIN DAVIS, ADISA M. OMAR, 2015-03-27 The long awaited revised 2nd edition of The Yoga Therapy Handbook has arrived It is greatly expanded colorful and much more descriptive than the original edition from 2007 The new version is contained in four distinct volumes Book 1-4 that are being sold separately with an a la carte styling so readers can pick and choose from what works best for them as either a novice beginner or advanced Yoga therapist Perhaps what is most intriguing though about this 2nd edition is that in the interim period the author made a dramatic and controversial decision to embrace Al Islam Accordingly this edition wrestles with those quintessential elements that make a comparative religion flow to this text quite different than any other Yoga therapy book on the market today The author also revives his review of the multicultural expressions as well in both Yoga Science and meditation practices The creative artistic flair of the illustrator Sue Jeong Ka is still woven into the fabric of this text This Fine Artist who is originally from South Korea ROK now lives and works in the USA New York City Surely her talents have expanded since the first edition and we hope with the print edition to follow she add some new illustrations to enliven this text
