Olmsted,2018-01-23 Manual for Men is for men who are in the arena warriors for Christ and His Church It is for those men who battle daily for their souls and for their family It is often a struggle to shed the sins and vices the world offers men but it is a battle we must fight and win In Part I Bishop Thomas Olmsted calls for Catholic men to step up and into the breach in service to God their families parishes and wider communities In the course of his exhortation Olmsted unveils How being a Christian man is far more than physical prowess or worldly power Why the world and the Church desperately need men real men to fight for them in spiritual combat The vital importance of prayer and the sacraments in the life of every man Why fatherhood fully understood is so crucial for every man The value of devotion to a patron saint complete with 10 manly suggestions Most importantly how men have the perfect model of man in Jesus Christ and how we can follow his example In Part II Cook presents a treasure trove of prayers church teachings and writings from the saints that serve as a tremendous source of inspiration for men seeking to become better men of God It is at once an essential guide and a profound book of prayers designed specifically for men Now perhaps
