Names Can Never Hurt Me Wade Kelly, 2015-02-16 What if sexuality wasn't a definable thing and labels merely got in the way Nick Jones can't remember a time when he wasn't part of the in crowd Everywhere he goes he stands out as the best looking guy in the room and women practically fall into bed with him Then after kissing Corey on a dare led to much more and on many occasions Nick's screw anything reputation escalated but he didn't care When Nick meets RC at the restaurant where he works it throws his whole life out of whack RC lives up to his dubbed nickname Scruffy Dude He seems Nick's complete opposite but Nick can't get him out of his head Because of peer pressure and his fears about defining his sexuality Nick struggles with stepping out of his comfort zone and caring about someone different than himself If he's lucky somewhere between arrogance and ignorance Nick might find out what it means to be an adult but if he's wrong he could lose everything

**Stop the Children from Crying a River of Tears** Kathy Garbe, 2011-12-20 Fanning wisdom s flame within the heart of the reader This book will shed light on the spirituality of generations past as well as the light that is being called forth for future generations She was not sleeping well Dreams headaches followed the nightmares started Night terrors which were terrifying for the both of us then the loss of weight I took her to a Dr he suggested medication which did not help The nightmares became worse Every night she went to bed she would dream she would wake up screaming terrified every night for several weeks Imagine a child any child going through this I was beside myself not knowing what to do Her headaches were getting worse and her weight loss was worrying me I did the only thing I knew to do I prayed to God to help us I was scared for my daughter and I did not know how to stop this I also did the second thing I knew to do I took her to the doctor again I told him about her nightmares and he looked at me like I was a crazy person and asked me what I thought those nightmares were going to do to her harm her I said yes they already were I was afraid for my daughter I was afraid the nightmares were going to destroy her He laughed I lost all control I could not help her so I was putting her in someone else s hand who is supposed to help her someone who is supposed to be a healer He was more concerned with her weight loss and headaches and put her in the hospital for further testing I met a mother whose daughter shared the room with my daughter They asked me questions about my daughter about her dreams so I proceeded to tell them the story The daughter kept looking at her mother then asked her if she should tell me only to hear

her mother reply no The mother asked me what I thought would happen if my daughter opened the door I did not hesitate I knew if my daughter opened the door to the man in black my daughter would die This broke my heart because I felt so alone with all of this and I had no way to prevent it How could I help my daughter I had prayed and asked God to help me and I knew he was the only one who could help me for this was way out of my league The young women looked at her mother and said mom we have to tell her Finally I yelled tell me what If you have something to tell me that will help my child PLEASE TELL ME I was desperate and somewhere inside I knew my answer was sitting right here before my very eyes Find out how Kathy helped her daughter and many others with her gifts from Spirit      Adolescent Violence in the Home Gregory Routt, Lily Anderson, 2014-08-07 Adolescent Violence in the Home examines a form of violence that has a profound impact on families but is often overlooked and frequently misunderstood teen aggression and violence toward members of their family especially parents Violence in adolescents is often seen as the result of a mental health diagnosis delinquency or as a response to dysfunctional parenting and though understanding a youth s mental health status or a parenting style can be helpful complete focus on either is misplaced Adolescent Violence in the Home uses a restorative framework developed by the authors and in use in court systems and organizations around the world to situate violent behaviors in the context of power and the intergenerational cycle of violence Readers will come away from this book with a profound understanding of the social and individual factors that lead youth to use violence and how adolescent violence affects parents and they ll also learn about a variety of interventions that specifically address teen violence against parents      **From Here to Where** Thaddeus Best, 2013-04 From Here To Where is a story about a little boy learning to survive in a very abusive environment not only does he learn to save his own life he had to use his wits to save his mother s life as well In his early years he and his mother lived in constant fear The story describes how his survivor skills became more important than his education As a seven year old child he ran into the dark of night to save himself from certain death Tells the how a daddy punished a child beyond the limits of law for any man or animal Show how a daddy s abuse was determined as punishment The story tells how a young child gets involved in sex play This story begins at three and ends at eleven years old It s not about kicking sand or throwing rocks in to lakes or streams It s about surviving in a very cold and cruel environment at home The Author has always wanted to write stories of interest concerning people that live ordinary lives Unfortunately some characters in this story lived every way except an ordinary life Also about people that makes a difference in day to day lives of all people Especially children who in many ways of experiencing some form of abuse in their lives His hope and prayer is that someone will read his story and act in a way that would help a child find hope peace and love Many parents believe their way is the best way without noticing the child s reactions There are many children that pass through the system with emotionally and physically abused scars They don t know how to ask for help some may not even realize they need help All children are born trusting and caring It s the adults that betray that trust Most problems are not detected until it s far too late He loved to read

stories about different cultures and their way of life From a small boy until an adult male reading has been a large part of his secret getaway The author learned to type in high school because he knew that someday he would write this story He knew he wouldn't rest until his story was told Only four individuals still living can verify the heart of this story Feel the grief in graphic details of an abusive life of a child From Here to Where is a true story After many years the events are forever tattooed on my brain With so many other things to do I try not to think about them Life goes on but the story lives and so does the pain with its sadness You will also feel the pain as well as some very cheerful moments      **Donkey Pause** K.
