3.	

Formative and Summative Assessments

Measurable Objectives to be Addressed	Formative and Summative Assessment
1. Students will understand the elements of narrative writing: plot, setting, characters, problem, solution and sequence of story.	Formative: I will ask students to tap into prior knowledge and check understanding of narrative. After going over the elements with them, I will check if students can provide examples of narrative elements and put them into narrative form.

Summative: In the end of the unit, students will be able to write their own narrative that includes plot, setting, characters, problem and solution. Formative: As a class, we will make a story together through student-suggested ideas. This will show me which students understand the narrative genre and which may need more support. Summative: Throughout the unit, students will be creating their own narratives that will be edited and revised.
---	---

Big Ideas to be Addressed in the Lesson:

5 minutes: I will tap into prior knowledge and ask students what is a narrative and what does a narrative need? I will introduce the basic elements of what a narrative is (plot, setting, characters, problem, solution, and beginning, middle and end) with drawings on the board.
