

*Help, for the Holy Spirit is keeping me, even from the moment  
of my conception. Thank you Father, for knitting us together  
and calling me your child. Jesus, thank you for loving me  
even before I knew your name and for thinking of me daily  
in love. Thank you in Jesus' name for wanting for me to come  
home to you. I will be able to do so because you have  
loved me and I love you. I will be able to do so because you  
are my Father and I am your child. Break through every barrier, erect  
to hold you back, and fill me with your Holy Spirit. Amen.*

B. Maher,2019-09-07 Acts 2 17 And it shall come to pass in the last days says God that I will pour out of My Spirit on all flesh There can be no doubt that as we draw closer to the end of the age that there has been a dramatic increase in the outpouring of God s Spirit in the earth The evidence is clear for whereas Spirit filled believers throughout the earth at the start of the twentieth century could be numbered in their thousands Spirit filled believers in the earth at the start of the twenty first century can now be numbered in their millions This book is written to provide a biblical framework for believers regarding our encounters with the Holy Spirit The reason we teach on this subject is because if saints are ignorant about what the word of God teaches about these encounters our adversary the devil can use that ignorance to lead them into error To have an encounter with the Holy Spirit is to have an encounter with the supernatural And so because most believers have never been exposed to the supernatural before they come into the kingdom of God if they are not taught correctly they can be vulnerable to having encounters with the wrong spirit and can thus be misled **FELLOWSHIP WITH THE HOLY SPIRIT** KIIZA SMITH,2020-10-26 We all want fellowship We feel sad when we get lonely We all want a relationship with God but how many of us know how to really fellowship with the Holy Spirit Multitudes of believers never develop a relationship with the very one who dwells inside of them So many of us feel like orphans all alone with no Father no one to guide and help us through life He wants to reveal the deep things of God to us 1 Cor 2 9 He wants to give us His power and strength A lady went to a jeweler to get her watch fixed He disappeared and came back quickly with her watch running perfectly She asked him How could you fix it in such a short time He told her that it only needed a small battery All this time the lady had been trying to wind the watch She didn t know she only needed a battery to keep it running Encountering the Holy Spirit in Every Book of the Bible David Diga Hernandez,2018-03-20 There s more to the Holy Spirit than we know and one can always grow closer to Him Ear of the Spirit J. C. Beaver,2014-08-15 Rev 2 7 He that has an ear let him hear what the Spirit says unto the Churches He says it to each of the seven churches giving them warning as to what will happen if they don t listen Later in the same book he says something that opened my understanding to the reason people don t hear He says If any man have an ear let him hear This

indicates to me the Spirit will no longer be speaking to people because He is no longer in the world Those left behind will only be able to hear with the natural ear what is going on around them I would warn the church to listen NOW while there is still time to hear the Spirit and obey the Lord There is coming a time when the Spirit will no longer speak to the hearts of man for judgment will be falling on the world who would not listen It will be a time of famine of the Word I pray the church wake up now Don't be like the five virgins who feel asleep with no oil in their lamps and woke up left behind Now is the day of salvation now is the day to listen with the ear of the Spirit and have a Holy Spirit encounter that will change your life You can't change yourself you can only die to the self life and grow in the God life the savior provided for you at the cross Living in the Last Days is not a popular phrase but it is what is happening We have no leadership and preachers are preaching to itching ears and tickling ears Hearts are cold or very lukewarm with no attention span to help one another to grow Evil is growing and good people are doing nothing because they are too busy to overworked to far asleep 666 is now here and is going to be required by government and good people are doing nothing because they don't care don't see what it happening right in front of them The evil that is in the middle east will be in American unless people wake up and listen with the ear of the Spirit and do it soon
