- These major parameters relate to: "What characterizes these groups of people and things?"
- All drawings and sketches made by completed or partly trained people. Most are drawings, large and detailed enough to be useful to you.
- They have a lot in common with each other. While drawing the participants are using their time to study drawings and learn about the groups of objects. They all have a lot more general and complete skills, but it takes you some time to use it all. These drawings will be used as a means of communication to answer the questions.
- Studies can still use a lot of information, especially when a complex situation
