Lady In Red:

Lady In Red Deirdre Savoy, 2004-06-01 While on location in Martha's Vineyard cosmetics mogul Scarlet Carly Thompson is stunned to discover that her overprotective mother has hired a private investigator to keep an eye on her and soon discovers that the man in question is from her past Original *Lady in Red* Karen Hawkins, 2009-10-13 When a priceless treasure brings together Wealthy and powerful Marcus St John the Marquis of Treymount must recover a lost family heirloom that is in the possession of Miss Honoria Baker Sneed All he needs to do is convince her to relinquish his treasure for a reasonable sum But when he meets Honoria he's surprised to discover she is as headstrong as she is beautiful Two unlikely hearts Honoria is astounded when Marcus shows up on her doorstep and arrogantly demands a ring that is rightfully hers She agrees to return the heirloom but on one condition He must sponsor her sister into society an idea Marcus considers absolutely preposterous Only love can decide the outcome When a heated argument ensues they find themselves in a compromising position and are forced to marry What starts out as a marriage in name only soon becomes much more as Marcus realizes Honoria has stolen his heart But can he prove to his wife that he is worthy of her love *Lady in Red* Stacy Claflin, 2019-12-12 She appears only at night watching and waiting When local children begin to vanish Officer Alex Mercer is positive the cases are tied to recent threats against his family especially since the first girl to go missing is his best friend's daughter It all ties back to Alex He's sure of it The only solid link to the missing kids is a mysterious woman in a red dress But that isn't enough to go on and Alex has orders to focus on another case As if that will stop him While working off the clock he stumbles upon something so chilling it finally provides the proof that he was right all along the kidnappings are part of an elaborate worldwide scheme Alex will stop at nothing to take down the dangerous criminal empire if they don't end him first **Lady in Red** Sidney St. James, 1900 In this ninth and final novel in the Gideon Detective Series Vincent James Gideon after retiring five years earlier to spend his senior years fly fishing on the Portland River elects to take on one more case for the Black Rock Cove Police Department Little did he know it would be the most unusual case the veteran detective has ever agreed to unravel Sebastian Westfield the grandson of Connor Westfield is living life in style with the hefty allowance given to him monthly by his grandfather The problem is one night started like all the rest with his arrival at Sid's Cabaret in Portland the home of famed theater star Valentina Clemente When the evening first started he could remember everything However the next instant his mind goes blank He can't remember what happened the rest of the night when an assassin took his grandfather's life in Black Rock Cove or how he ended up on the floor of an abandoned farmhouse a few hundred yards away from his grandfather's house the next morning As he awoke he sensed a chill in the air a shimmer of mist The trees of the forest by the lake became slightly out of focus like that of a poorly taken photograph It wasn't until Sebastian got closer it congealed into a form a woman dressed in red with silver skin and a predator's smile All became silent while he watched the woman skirt along the edges of the stagnant lake Then without warning he found himself on his back

looking up at a person wearing a red and black ski mask He shook his head back and forth and heard the words from what he thought was the woman in red but the words were said in a man s voice with a rasping tone of a one pack a day smoker Have you come to play Sebastian Sebastian couldn t find words to say and only opened his mouth to scream Then without warning he found himself back on the dilapidated and deserted farmhouse floor Abruptly a chill rose up his spine making him shiver Something was here with him He could feel it A voice hoarse and faint echoed around him coming from the adjacent room in the farmhouse Sebastian slowly turned his head over his shoulder and the whispering came to a stop The air chilled to ice and his labored breathing was the only sound he could hear It was hanging down from the ceiling crawling ever so slowly closer and closer dark and brooding Crick Creakkkk Screechhhhh Stop it You re not real Leave me alone Sebastian had played in the old farmhouse as a child and knew it was but a few hundred yards to his grandfather s house Without hesitation he rushed out the door and hurried down the pathway his heart pounding the entire way The sun already climbed into the morning sky On reaching the courtyard he stopped and vividly pictured the old place during his childhood The walls didn t seem so gray when he was a young boy nor did they look so small In his mind he pictured the place as though it were a castle where his cousin and he were the prince and princess of the home The door opened Mister Albert was there with the bad news Mister Sebastian where have you been Your grandfather has been murdered **Lady in Red** Sheila Tate,2019-04-09
