

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

Norms and Illegality Walter E. Little, Cristiana Panella, 2021-05-06 Norms and Illegality Intimate Ethnographies and Politics explores liminal and illegal practices in relation to political control and cultural normativity The contributors draw on years of ethnographic experiences in Greece Guatemala Hong Kong Italy Madagascar Mali Philippines and Thailand to study the contradictions of what is legal and illegal They explore the production of illegal subjects by the state the creation of illegal and normative values by liminal and illegal actors and the mutual entanglements of legal and illegal in the public domains of markets and trade networks This volume shows that criminalization policies are not necessarily oriented toward erasing crime Instead the contributors maintain that opaque spaces ensure the efficacy of control and outwardly conform to the rhetoric and ethics of global neoliberalism Within these contexts the contributors shed light on moral economies and frames of value entailed in systems of representation that have been set up by individuals who are deemed illegal liminal or deviant in their confrontations with the state This book is recommended for students and scholars of anthropology political science and urban studies

Dominant Language Constellations Joseph Lo Bianco, Larissa Aronin, 2020-09-07 This volume is dedicated to the concept and several applications of Dominant Language Constellations DLC by which it advances understanding of current multilingualism through addition of a novel perspective from which to view contemporary language use and acquisition The term Dominant Language Constellation denotes the set of a person s or group s most expedient languages functioning as an entire unit and enabling an individual or group to meet their needs in a multilingual environment The volume presents pioneering contributions that

employ DLC as the lens for analysing a wide array of issues These include multilingual syntactic development cross linguistic interaction and multilingual production in formal and informal educational contexts as well as linguistic profiles of multilingual groups used in elementary school and higher education Other DLC issues include discussions of how identity emotions and attitudes operate in various minority and majority contexts Because the DLC concept does not assume any inherent hierarchy of languages it can serve as a framework public policy in multilingual countries communities faced with challenging policy determinations regarding choice of languages for use in education settings and more widely in social institutions and the economy Some chapters develop and extend the DLC concept others adapt and apply it to a variety of contexts both global and local Many chapters feature educational and social settings across large parts of the world Africa Australia Europe North America Canada and the USA and Southeast Asia The volume can serve as supplementary reading for courses on multilingualism sociolinguistics language policy and planning educational linguistics Second and Third Language Acquisition

Sustainable, Smart and Solidary Seoul Tony Robinson, Minsun Ji, 2022-09-30 This book showcases how innovative state policy in Korea transformed Seoul from one of the world's most impoverished polluted and congested cities into a global leader in green urban planning smart city innovations and social economy initiatives that have dramatically improved the local quality of life Today Seoul's urban planning innovations are increasingly touted as replicable best practices for export to cities across the globe This book describes how innovative state policy has made Seoul a world leader in sustainable smart and solidary urban initiatives

Beginning in the 1960s Seoul led the fastest urbanization and modernization project in world history becoming a colossal 26 million person metropolitan region and one of the largest footprints of humanity on earth transforming the nation from one of the world's poorest to having the 10th largest GDP in 2020 Today Seoul has become one of the most productive and innovative urban agglomerations on earth Seoul's residents enjoy the world's highest penetration of high speed internet a model mass transit system and advanced smart city technologies The vast city has become increasingly green and sustainable while also recycling about 90% of all waste Seoul has become a leader in social economy innovations like cooperative villages mutual benefit societies and social investment funds that advance equitable development goals amid a booming capitalist economy To broaden our imagination of what good urbanism can achieve this book reviews Seoul's recent innovations in smart sustainable and solidary urbanism including green urban planning sustainable development through recycling and reuse well managed mass transit smart city design and solidarity economy initiatives *Go Golden* Dillon Naber Cruz, 2018-12-13 Symptoms of broken systems are all around us due to our over consumptive lifestyles nearly unfettered capitalism failure to live peaceably together and the societal dismissal of nature's limits Climate change is our new reality and we must respond to that immediately Fortunately the world's faith traditions in general and Christianity specifically have given us a spiritual path to follow that can alleviate these problems When the golden rule is coupled with the ethics and principles of permaculture in theory and in practice then humanity and the diversity of other species can harmoniously thrive together *Go Golden* like a weather vane points the reader towards the path forward **China and East Africa** Chapurukha M. Kusimba, Tiequan Zhu, Purity Wakabari Kiura, 2019-12-02 *China and East Africa Ancient Ties and Contemporary Flows* marks the culmination of a new round of archaeological and historical research on the relations between China and Africa from the origins to the present Africa and Asia have always been in constant contact through land and seas The contributors to this volume debate and present the results of their research on the very complex and intricate networks of connections that crisscrossed the Indian Ocean and surrounding lands linking Africa to East Asia A growing number of speakers of Austronesian languages returned to Africa reaching Madagascar in the early centuries of the Common Era The diffusion of domesticated plants like bananas from New Guinea to South Asia and Africa where phytoliths are dated to the mid fourth millennium in Uganda and mid first millennium BCE in southern Cameroon provide additional evidence on early interactions between Africa and Asia Africa and Asia have always been in constant contact through land and seas Edited by Chapurukha Kusimba Tiequan Zhu and Purity Wakabari Kiura this collection explores different facets of the interaction between China and Africa from their earliest manifestations to the present and with an eye to the future *Chinese Media in Africa* Emeka Umejei, 2020-07-23 *Chinese Media in Africa Perception Performance and Paradox* analyzes the debate on Chinese media expansion in Africa and its implication for the African media landscape by engaging with African journalists who train and work in Chinese media organizations based in Africa Emeka Umejei analyzes how

African journalists that enter the sphere of Chinese media often with libertarian notions of journalism are able to navigate the collisions and collusions that inform journalism in these settings Through extensive interviews with African journalists Umejei explores the constant negotiation of freedoms including the ability to always work in relation to African reality within state controlled media organizations These interviews bring to light the paradoxical nature of Chinese media organizations that both preach equality with Africa and simultaneously promote Chinese hegemony in the media highlighting the diverse contours that shape and influence journalism practices in these settings Scholars of journalism media studies African studies international relations and sociology will find this book particularly useful **Negative/Positive** Geoffrey

Batchen,2020-12-21 As its title suggests Negative Positive begins with the negative a foundational element of analog photography that is nonetheless usually ignored and uses this to tell a representative rather than comprehensive history of the medium The fact that a photograph is split between negative and positive manifestations means that its identity is always simultaneously divided and multiplied The interaction of these two components was often spread out over time and space and could involve more than one person giving photography the capacity to produce multiple copies of a given image and for that image to have many different looks sizes and makers This book traces these complications for canonical images by such figures as William Henry Fox Talbot Kusakabe Kimbei Dorothea Lange Man Ray Seydou Ke ta Richard Avedon and Andreas Gursky But it also considers a number of related issues crucial to any understanding of photography from the business practices of professional photographers to the repetition of pose and setting that is so central to certain familiar photographic genres Ranging from the daguerreotype to the digital image the end result is a kind of little history of photography partial and episodic but no less significant a rendition of the photographic experience for being so This book represents a summation of Batchen s work to date making it be essential reading for students and scholars of photography and for all those interested in the history of the medium **Daily Graphic** I.K.
