

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

The English Professor Margaret R. O'Leary/Dennis S. O'Leary, 2016-02-04 Across the span of more than forty years Raphael Dorman O Leary a professor of English rhetoric and English literature taught his students at the University of Kansas to think straight to put sinew into their sentences and to embrace the magnificent literary treasures of their mother tongue The English Professor by authors Margaret R O Leary and Dennis S O Leary offers a narrative of the life work and times of a revered Midwestern university English teacher This memoir narrates how the professor born in 1866 was raised on a Kansas farm in the post bellum era Like his father before him he was committed to a life of learning and teaching His colleagues knew him for his unpretentious exterior honesty and integrity and his flashing anger at cheapness vulgarity pretense and above all charlatanism When Professor O Leary died after a short illness in 1936 his personal effects passed through two generations to his grandson Dennis S O Leary who with his wife Margaret discovered his papers while restoring a family house The trove of material served as the core resource for the compilation of The English Professor It provides insights into the histories of Kansas and the University of Kansas and of

Harvard University as well as perspectives on higher education including the teaching of English rhetoric language literature journalism and oratory in the United States The Education Invasion Joy Pullmann, 2017-03-14 Most Americans had no idea what Common Core was in 2013 according to polls But it had been creeping into schools nationwide over the previous three years and children were feeling its effects They cried over math homework so mystifying their parents could not help them even in elementary school They read motley assortments of informational text instead of classic literature They dreaded the high stakes tests in unfamiliar formats that were increasingly controlling their classrooms How did this latest and most sweeping reform of American education come in mostly under the radar Joy Pullmann started tugging on a thread of reports from worried parents and frustrated teachers and it led to a big tangle of history and politics intrigue and arrogance She unwound it to discover how a cabal of private foundation honchos and unelected public officials cooked up a set of rules for what American children must learn in core K 12 classes and how the Obama administration pressured states to adopt them Thus a federalized education scheme took root despite legal prohibitions against federal involvement in curriculum Common Core and its testing regime were touted as an absolute game changer in public education yet the evidence so far suggests that kids are actually learning less under it Why then was such a costly and disruptive agenda imposed on the nation s schools Who benefits And how can citizens regain local self governance in education so their children s minds will be fed a more nourishing intellectual diet and be protected from the experiments of emboldened bureaucrats The Education Invasion offers answers and remedies *Minerals Yearbook* Geological Survey, Interior Department, Mines Bureau, 2019-02-15 This volume covering metals and minerals contains chapters on approximately 90 commodities In addition this volume has chapters on mining and quarrying trends and on statistical surveying methods used by Minerals Information plus a statistical summary **Introduction to Teaching** Gene E. Useful Assessment and Evaluation in Language Education John McE. Davis,John M. Norris,Margaret E. Malone,Todd H. McKay,Young-A Son,2018-03-01 The specific and varied ways in which assessment and evaluation can impact learning and teaching have become an important language education research concern particularly as educators are increasingly called on to implement these processes for improvement accountability or curricular development purposes Useful Assessment and Evaluation in Language Education showcases contemporary research that explores innovative uses of

assessment and evaluation in a variety of educational contexts Divided into three parts this volume first examines theoretical considerations and practical implementations of assessment conducted for the purpose of enhancing and developing language learning Part 2 addresses novel assessment development and implementation projects such as the formative use of task based assessments technology mediated language performance assessment validation of educational placement tests for immigrant learners and the use of assessment to help identify neurolinguistic correlates of proficiency The final section of the book highlights examples of argument based approaches to assessment and evaluation validation extending this critical framework to quality assurance efforts in new domains Adding to research on traditional and conventional uses of testing and evaluation in language education this volume captures innovative trends in assessment and evaluation practice that explicitly aim to better inform and enhance language teaching and learning Minerals Yearbook Geological Survey,Interior Department,Mines Bureau,2019-01-31 This volume covering metals and minerals contains chapters on approximately 90 commodities In addition this volume has chapters on mining and quarrying trends and on statistical surveying methods used by Minerals Information plus a statistical summary **Post-Industrial Landscape Scars** A. Storm,2014-10-22 Post industrial landscape scars are traces of 20th century utopian visions of society they relate to fear and resistance expressed by popular movements and to relations between industrial workers and those in power The metaphor of the scar pinpoints the inherent ambiguity of memory work by signifying both positive and negative experiences as well as the contemporary challenges of living with these physical and mental marks In this book Anna Storm explores post industrial landscape scars caused by nuclear power production mining and iron and steel industry in Malmberget Kiruna Barseb ck and Avesta in Sweden Ignalina and Visaginas Snie kus in Lithuania former Soviet Union and Duisburg in the Ruhr district of Germany The scars are shaped by time and geographical scale they carry the vestiges of life and work of community spirit and hope of betrayed dreams and repressive hierarchical structures What is critical Storm concludes is the search for a legitimate politics of memory The meanings of the scars must be acknowledged Past and present experiences must be shared in order shape new understandings of old places The SAGE Handbook of Curriculum, Pedagogy and Assessment Dominic Wyse,Louise Hayward,Jessica Pandya,2015-12-03 The research and debates surrounding curriculum pedagogy and assessment are ever growing and are of constant importance around the globe With two volumes containing chapters from highly respected researchers whose work has been critical to understanding and building expertise in the field The SAGE Handbook of Curriculum Pedagogy and Assessment focuses on examining how curriculum is treated and developed and its impact on pedagogy and assessment worldwide The Handbook is organised into five thematic sections considering The epistemology and methodology of curriculum Curriculum and pedagogy Curriculum subjects Areas of the curriculum Assessment and the curriculum The curriculum and educational policy The SAGE Handbook of Curriculum Pedagogy and Assessment s breadth and rigour will make it essential reading for researchers and postgraduate students around the world *Beyond Age Effects*

in Instructional L2 Learning Simone E. Pfenninger, David Singleton, 2017-04-21 This book constitutes a holistic study of how and why late starters surpass early starters in comparable instructional settings Combining advanced quantitative methods with individual level qualitative data it examines the role of age of onset in the context of the Swiss multilingual educational system and focuses on performance at the beginning and end of secondary school thereby offering a long term view of the teenage experience of foreign language learning The study scrutinised factors that seem to prevent young starters from profiting from their extended learning period and investigated the mechanisms that enable late beginners to catch up with early beginners relatively quickly Taking account of contextual factors individual socio affective factors and instructional factors within a single longitudinal study the book makes a convincing case that age of onset is not only of minimal relevance for many aspects of instructed language acquisition but that in this context for a number of reasons a later onset can be beneficial
