Suzanne Collins has given since the publication of *The Hunger Games* an absorbing behind the scenes look at the creation of the series and an engaging archival conversation between Suzanne Collins and YA legend Walter Dean Myers on writing about war. The Special Edition answers many questions fans have had over the years and gives great insight into the creation of this era defining work. In the ruins of a place once known as North America lies the nation of Panem, a shining Capitol surrounded by twelve outlying districts. The Capitol keeps the districts in line by forcing them all to send one boy and one girl between the ages of twelve and eighteen to participate in the annual Hunger Games, a fight to the death on live TV. Sixteen year old Katniss Everdeen regards it as a death sentence when she steps forward to take her sister's place in the Games. But Katniss has been close to death before and survival for her is second nature. Still if she is to win she will have to start making choices that weigh survival against humanity and life against love.

[Choose Your Own Disaster](#) Dana Schwartz, 2015-05-01 A hilarious and heartbreaking Jo Piazza and unflinchingly honest memoir about one young woman's terrible and life changing decisions while hoping and sometimes failing to find herself in the style of *Never Have I Ever* and *Adulting*. Join Dana Schwartz on a journey revisiting all of the awful choices she made in her early twenties through the internet's favorite method of self knowledge: the quiz. Part memoir, part VERY long personality test. *Choose Your Own Disaster* is a manifesto about the millennial experience and modern feminism and how the easy advice of you can be anything you want is actually pretty fucking difficult when there are so many possible versions of yourself it seems like you could be Dana. Has no idea who she is but at least she knows she's a Carrie, a Ravenclaw, a Raphael, a Belle, a former emo kid, a Twitter addict and a millennial just trying her best. This long form personality quiz manages to combine humor with unflinching honesty as one young woman tries to find herself amid the many, many choices that your twenties have to offer.
