

Late Night Poetry

Sleep is medicine

Poetry is neurosurgery

Reengineering the thought process

In the middle of the night

Resecting insomnia from a sleepless brain

Late night poetry is a surgical scalpel

That opens the dreamless mind

Injecting sweet dreams in the middle of the night

In an emergency operation against insomnia

Poetry is an anesthetic

To soothe the mind

And rescue the Soul from its dreamless stupor

Hunter Is The Night Poetry:

Hunter Is the Night Kozi Nasi, 2014-12-11 In *Hunter Is the Night* author Kozi Nasi presents her second collection of poetry continuing on her path of storytelling through verse. These poetic episodes tell stories of her life written with a mature voice and refined style painting a wide range of emotional and spiritual states. In these deeply personal poems Kozi does not shy away from vivid descriptions of intimate moments pushing limits putting her foot down pointing her finger and taking a stand to uphold her true feelings and principles. She portrays with ease the attentive lover the close friend the adoring granddaughter the loyal partner in crime the voice of reason the seductress the mother the muse the voyeur and the self critic with a flair for lessons learned. *Hunter is the Night* shares a bouquet of poems cut and delivered fresh from Kozi Nasi's garden of life stories old and new. **TESTED** Hanging by a single red hair from a very heavy cloud humored by the thought of collisions being rather rare in the spacious sky don't want to let go just yet don't want to fall down don't want to crash the anticipated raindrop on the mouth of your grave

The student's algebra, ed. by J. Hunter. [With] Key John William Colenso (bp. of Natal.), 1878 [The Night of the Hunter](#) Jeffrey Couchman, 2009-02-12 In the first major study of the long lost first draft screenplay by James Agee Jeffrey Couchman confronts a fifty year controversy about the authorship of the film. He explores many levels of artistic convergence between novelist and director director and actor and cinematic form and audience expectations. The talents that clashed or came together along the road from book to movie created a film of rich stylistic contradiction. Combining biographical and historical analysis with a critical study of both the novel and the film Couchman makes the case that this initially overlooked cinematic gem is a prismatic work that continually reveals new aspects of itself. **BOOK JACKET** [KEY TO HUNTER'S MANUAL OF SHORT METHODS IN ARITHMETIC](#) REV. HUNTER, 1884 **Vampire Hunter D Omnibus: Book One** Hideyuki Kikuchi, 2021-10-26 A new omnibus collecting the first three volumes of the Vampire Hunter D horror novel series. It is 12 090 A.D. thousands of years since the human race nearly destroyed itself in a nuclear war a folly foreseen by those who waited to emerge out of the underground not from shelters but from crypts. The aristocratic vampire lords known as the Nobles inherited our world and with dark science and immortal patience made real the things that mortals had merely dreamed whether voyaging to the distant stars or conjuring monsters to roam the Earth. Yet the grand civilization of the Nobles has grown decadent and as the terrorized remnants of humanity at last found the strength to rebel their undying lords have been pushed back to the Frontier the violent borderlands where humans still remain the prey of vampires who for all their knowledge and power have never lost their obsession with our living flesh blood and souls. In this bizarre and deadly far future the most dangerous thing of all is not a vampire but the one who hunts them the one who is half them a dhampir the unearthly beautiful wanderer known as D.
