"61 Minutes" Rev. Michael W. Border Killers Elizabeth Villalobos, 2024-05-14 *Border Killers* delves into how recent Mexican creators have reported analyzed distended and refracted the increasingly violent world of neoliberal Mexico especially its versions of masculinity By looking to the insights of artists writers and filmmakers Elizabeth Villalobos offers a path for making sense and critiquing very real border violence in contemporary Mexico Villalobos focuses on representations of border killers in literature film and theater The author develops a metaphor of maquilization to describe the mass production of masculine violence as a result of neoliberalism The author demonstrates that the killer is an interchangeable cog in a societal factory of violence whose work is to produce dead bodies By turning to cultural narratives Villalobos seeks to counter the sensationalistic and stereotyped media depictions of border residents as criminals The cultural works she examines instead indict the Mexican state and the global economic system for producing agents of violence Focusing on both Mexico's northern and southern borders *Border Killers* uses Achille Mbembe's concept of necropolitics and various theories of masculinity to argue that contemporary Mexico is home to a form of necropolitical masculinity that has flourished in the neoliberal era and made the exercise of death both profitable and necessary for the functioning of Mexico's state cartel corporate governance matrix

Voice of the Leopard Ivor L. Miller, 2010-01-06 In *Voice of the Leopard* African Secret Societies and Cuba Ivor L. Miller shows how African migrants and their political fraternities played a formative role in the

history of Cuba During the eighteenth and nineteenth centuries no large kingdoms controlled Nigeria and Cameroon s multilingual Cross River basin Instead each settlement had its own lodge of the initiation society called kp or leopard which was the highest indigenous authority kp lodges ruled local communities while also managing regional and long distance trade Cross River Africans enslaved and forcibly brought to colonial Cuba reorganized their kp clubs covertly in Havana and Matanzas into a mutual aid society called Abaku which became foundational to Cuba s urban life and music Miller s extensive fieldwork in Cuba and West Africa documents ritual languages and practices that survived the Middle Passage and evolved into a unifying charter for transplanted slaves and their successors To gain deeper understanding of the material Miller underwent kp initiation rites in Nigeria after ten years collaboration with Abaku initiates in Cuba and the United States He argues that Cuban music art and even politics rely on complexities of these African inspired codes of conduct and leadership Voice of the Leopard is an unprecedented tracing of an African title society to its Caribbean incarnation which has deeply influenced Cuba s creative energy and popular consciousness
